COMMITMENT FORM for Advanced Placement (AP)/Honors/CHS Classes

Students in our advanced classes must meet and maintain certain standards for acceptance and retention in the program. Consider your ability to handle the demanding curriculum and other time commitments you will have next year; most students only register for one or two AP classes in their six-period day. *We need to be respectful of regular classes; when students drop an AP/Honors class, another class is impacted. Therefore, scheduling and staffing AP/Honors/CHS courses requires student commitment; if a student enrolls in an AP/CHS/Honors course,* ***they cannot switch out of the class****.*

Please sign below to confirm that you have read this information and understand that students who enroll in AP/Honors/CHS courses are committed to completing them.
