

FREEMAN CONNECTED

YOUR PATH TO LEARNING

TEAMWORK IN ONLINE LEARNING

Hello Families,

As we roll into spring, it's a great time to check in and celebrate the progress your student has made this year. This season brings new energy and a chance to refocus on finishing strong. At Freeman ConnectEd, we know that online learning works best when we all work together — students, families, and our FCE team. Students take ownership of their learning and stay engaged with their courses. You, as parents and guardians, provide structure at home, help keep routines on track, and support steady progress. Our team is here to guide, check in, and provide the accountability students need to succeed. When we work together and communicate openly, students thrive. Thank you for being such an important part of this partnership as we move through spring and toward the end of the school year

SUPPORTING YOUR ONLINE LEARNER AT HOME

Tips for working at home

- Setting a weekly routine
- Encouraging communication with FCE Team
- Create a distraction-free workspace
- Sign in to your Edmentum Sensi for Families account to track progress
- Use a calendar or planner
- Take regular breaks

YOUR FCE TEAM!

MATT SMITH: CERTIFICATED TEACHER

DEENA JACKSON: PARAPROFESSIONAL

HEIDI YOUSEPH: DIRECTOR/COUNSELOR

ONLINE MATH RESOURCES

- *Khan Academy*: Offers assistance 6-12 grade.
- *Math Planet*: Focuses on high school math (Pre-algebra, Algebra 1 & 2, Geometry) with practice tests.
- *Desmos*: Recommended for interactive geometry and graphing calculator tools.
- *Mathway*: A tool for solving problems with step-by-step solutions.
- *Mathigon*: Features "Polypad" for virtual manipulatives and engaging, visual math games.

Course Spotlight
