

Together We Can Oakdale Elementary

A Note from the Principal

Spring is right around the corner, and with it, comes a school schedule that begins to get very busy. Please be sure to check your child's bookbag, our school's website, and Facebook page for important information and updates about activities coming up for either all grade levels or just specific ones. March will also bring some family engagement opportunities, so be on the lookout for details about these fun events!

Take Our Belonging Survey

During conferences, families were invited to complete our Belonging Survey. If you have not yet had the opportunity, please take a few minutes to do so by using the link below. The survey will close on March 20.

This survey helps our district and schools understand how connected families feel to their student's school and guides efforts to strengthen belonging for students, families and staff. If you have students at more than one school, please complete a separate survey for each school by reopening the original link.

Greatness Grows When You're Here!

As we move into the spring months, consistent attendance remains essential for student success. Missing even a few days of school can make it more difficult for students to stay on track academically and socially.

This is a great time to refresh daily routines such as consistent bedtimes, morning preparations and transportation plans to help students finish the year strong. While spring often brings busy schedules and changing routines, making school attendance a daily priority makes a meaningful impact.

If your family is experiencing challenges with attendance, please reach out so we can work together to support your student. Greatness Grows When You're Here!
