Principal – Emily Caviggia
Assistant Principal- Meghan Therrien

Dear Families,

At the recommendation of members from the district's safety team, we will be making a slight adjustment to our parent drop-off and pick-up procedures to further enhance the safety and efficiency of our traffic flow. This change will go into effect on **Monday, March 9th**.

Attached, you will find a map outlining the updated procedure. The key change is that vehicles in the left lane (as you enter the school driveway) will proceed forward to the front of the building, and vehicles in the right lane will proceed to turn right to the upper wing of the building. All other aspects of our arrival and dismissal routines will remain the same. ***Please know that at no time should drivers in the left lane turn right by crossing in front of drivers in the right lane.***

The right lane, going to the upper wing and depicted by the green arrows, is for families whose students are in the following homerooms: Ms. Brock, Mrs. Daniels, Ms. Horvath, Mrs. Livingston, Mrs. Parsell, Mrs. Racine, Mr. Santaniello, and Mr. Steuernagel.

The left lane, going to the front of the building and depicted by the blue arrows, is for families whose students are in the following homerooms: Ms. Angelo, Mrs. Blackmar, Ms. Bufmack, Mrs. Crawford-Vasquez, , Mrs. Griffiths, Ms. Guillot, Ms. Hanson, Mrs. Lopez

We will be closely monitoring this new traffic pattern to ensure it is working smoothly and safely for everyone. Your partnership is greatly appreciated, and we welcome your feedback as we implement this adjustment.

Please do not hesitate to reach out with any questions. Thank you for your continued cooperation and support in keeping our students safe.

Sincerely,

Emily Caviggia, KCS Principal
