<u>https://education.mn.gov/mde/fam/tests/</u>	<p><i>The estimated time for MCA tests (Minnesota Comprehensive Assessments) is typically between 1-3 hours per test, depending on the individual student, with most students taking around 2 hours to complete each section (reading, math, or science).</i></p> <p><i>All testing results will be distributed to each family in the fall.</i></p>	<p>MCA tests, which stand for Minnesota Comprehensive Assessments, are standardized tests used to measure student progress towards meeting the Minnesota Academic Standards in subjects like reading, math, and science, allowing educators to assess how well students are mastering grade-level content and identify areas where additional instruction may be needed, ultimately informing curriculum decisions at the school and district level.</p>
