

Interested in online learning?

Here's what you need to know to enroll at SAHS.

Review each of the sections below to check whether you may be eligible to enroll in online courses.

Academic & Learning Skills

Measurable

- I have successfully completed prior coursework at Sault Area Secondary School in-person and online for the past 12 months.
- I can demonstrate grade-level reading and writing proficiency.
 - PSAT 9: PSAT 10: SAT:
- I understand that the online course(s) in which I am enrolled must be a part of my educational development plan (EDP) and are not offered as an in-person class at SAHS

Self Reflective

- I can read and follow written instructions independently.
- I can learn new material by reading, watching videos, or completing online modules without needing the teacher to re-explain everything.
- I am comfortable asking questions through email or online messaging if I need help.
- I complete assignments on time without frequent reminders.
- I have strong time-management skills and can keep track of due dates independently.

Attendance

Measurable

- I have not had any disciplinary referrals related to attendance and tardiness.
- I understand that I must be present in the designated on-campus learning space during my scheduled online period(s).

Technology Skills

Self Reflection

- I can use basic computer tools (email, attachments, Google or Microsoft tools, learning platforms, etc.) without help.
- I can troubleshoot small problems (logging in, resetting passwords, navigating the course site).
- I have reliable access to a computer and the internet to complete coursework consistently because I will utilize the school designated learning space.

Motivation & Responsibility

Measurable

- I understand that my parents or guardians must attend a meeting covering online learning expectations.

Self-Reflection

- I can stay focused and on task even when no teacher is standing next to me.
- I am self-motivated and can push myself to work even when the work is challenging.
- I check my school email and online accounts daily for updates, instructions, and deadlines.
- I understand that college and online courses require more independence than traditional high school classes.

Behavior & Work Ethic

Measurable

- I understand that I will need to complete weekly progress check-ins with the assigned staff/mentor.
- I understand that I will be required to take an in-person class and may be held accountable to pay for the course if I (1) fall behind in coursework, (2) don't attend online class, and/or (3) fail.

Self-Reflection

- I take ownership of my learning and will communicate with my counselor/teacher if I fall behind or need support.
