2026 April Break Sessions

Sports Stars Skills & Drills is designed to teach children the fundamentals of sports during each weekly session. Our philosophy stresses having fun, while promoting physical fitness and developing new skills from week to week. Flexibility, coordination, and agility will be merged with skill development during each weekly session.

Owner, Chris Robey, is a former All-League basketball player and All-NYS and All-East Coast soccer player while playing at Kenmore East High School and Canisius College. He is currently an Elementary Physical Education teacher in the Ken-Ton School District and a former three sport coach at Kenmore East High School (Soccer, Basketball and Softball). He is also a 2-time Club Champion at Sheridan Park golf course. His passion and love for sports drives him to help others learn to love athletics and to live a healthy lifestyle.
