

Belvidere Park District SPRING YOUTH SOCCER

Spring Little Kickers

This program is a fun and positive introduction to soccer for our youngest soccer stars! This program helps promote motor skill development through learning the basics of soccer and playing fun games. Skills touched will be running, kicking, dribbling, and listening. Our young soccer stars will have a parent participating by their side to help with the learning. Class will meet one time a week for 30 minutes, and adult participation is required. Players will receive a t-shirt! **Location:** Prairie Fields • **Min/Max:** 15/30 • **Register by:** April 1

Code	Age	R/NR Fee	Date	Time	Day
101226-01	3	\$35/\$50	4/11-5/9	8:30-9 AM	SAT

Youth Soccer League

This recreation-based program is a great way to involve your child in the sport of soccer while learning the importance of teamwork! Children will participate in games with emphasis on fun, participation and learning the rules of the game. These concepts will build self-esteem and enhance muscle growth. Games will be played on a reduced size field and goals for participants aged 4-7 years old. Participants in the 8-10 age group will play on a U10 field size. Participants in the 11-13 age group will play on a U12 field size. Shin guards and closed-toed athletic shoes are required. These age groups will practice once a week on a day determined by the coach and play games on Saturday mornings. We will try to schedule rain makeup games during the week if possible. All players will receive a jersey and will also receive a medal at the end of the season. Volunteer coaches are needed for this program. **Location:** Prairie Fields • **Min/Max:** 40/96 • **Register by:** March 21

Code	Age	R/NR Fee	Date	Time	Day
