

Stanwood-Camano School District
2025/26 Athletics Participation Fee Schedule Grades 7 – 12

Due to the rising costs associated with the Stanwood-Camano School District's athletic programs, and the statewide educational budget reductions, the District has approved an Athletics Participation Fee. The fee must be paid when the athlete makes the team.

Parents of students who **qualify** for the National Free and Reduced-Price meal program (NFRP) and have a current application on file with the district office are eligible for a waiver of the athletic participation fee. **A copy of the Notice of Eligibility for Free or Reduced-Price Meals OR a printout from Family Access must be provided by the guardian and given to the athletic department. As well, a copy of the NEW parental release of information form must also be turned in*** (Applications for the NFRP are available on-line, at all schools, and the district office). Parents are responsible for completing and submitting the required paperwork.
