

March Library News

Call Erin Sawaski or Kathy Rolling, 448-2875, ext. 7113, for more information regarding Cormier's library.

Library Book Care Reminder

If pages become ripped, please send the book back to the library with a note so that the page(s) can be repaired with special book tape. We also have had many books returned with the library spine labels and barcode labels removed, please make sure your child is NOT removing these very important labels. **Being kind to books is practiced during library but we need your help at home, also.** Also please make sure books are being kept in the plastic Bee Bags sent home with your child at the beginning of the school year when in their backpacks. If you no longer have that bag, any plastic bag such as a Walmart, Target, or Festival bag will work, too!

Spring Break

Spring Break is going to be here soon (March 30-April 3). Please remember to keep library books in a special place so they don't get lost. If your family is traveling at all over break, please be sure to leave library books at home.

RIF Distribution After Spring Break

We will be having our second RIF distribution on Friday, April 10th. Once again, every student will be able to choose one brand new book to keep for their very own! Our theme character will be *The Very Hungry Caterpillar*, so we encourage students to wear a rainbow of colors that day to help celebrate reading! Thanks to you supporting all our fundraising efforts, the students will have an amazing assortment of books to choose from!

National Library Week and Family Reading Night

National Library Week will be taking place **April 19-25**. The American Library Association and libraries across the country will be celebrating the contributions of our nation's libraries and librarians, and promoting library use. We will be kicking off the celebration with a **Family Reading Night at the Ashwaubenon Public Library on April 23rd from 5:30-6:30 pm**, so mark your calendars! We will also be giving every student an opportunity to earn a free scoop of frozen custard and/or a kid's meal from Culver's by visiting the Ashwaubenon Public Library and reading at home. Watch for more information about this special night and fun program coming home with your child the third week of April!
