

CSI Parent Notification

Dear Parent or Guardian,

Each year the Tennessee Department of Education examines schools' performance across several different indicators to provide an overall look at how schools are serving the needs of all students. The department of education included the following indicators in its analysis of school accountability:

- Student achievement
- Student growth
- English learner proficiency exam (ELPA)
- Chronic absenteeism

More information on each of these indicators and the data used to define them can be found in the 2024-25 Federal Accountability Protocol. Under the federal Every Student Succeeds Act (ESSA), the department is required to use the school accountability results to identify those schools with the lowest performance across student groups (e.g., individual racial/ethnic student groups, students with disabilities, economically disadvantaged, and English learners). These schools will receive additional supports from the department.

We are writing to inform you that Treadwell Elementary is identified for Comprehensive Support and Improvement (CSI) as required by ESSA and the U.S. Department of Education during the 2025-26 school year.

Our school is working hard with the district and the Tennessee Department of Education to increase student performance by additional teacher professional development, use of small group instruction, tutoring, additional curricular material, and increased use of intervention technology. We encourage you to help by participating in the development and implementation of our school improvement plan and/or attending monthly Partners in Education (PIE) meetings, joining our Title I Planning Committee, volunteering as a classroom reading buddy, assisting with after-school tutoring programs, participating in our Family Literacy and Math & Science Nights, joining our Conectando Familias Program, volunteering for career day presentations, assisting with library organization, or supporting our school-wide safety and dismissal coordination.

Sincerely,

Jason Carr
