

Protected Handicapped Students (Chapter 15): In compliance with state and federal law, the Delaware Valley School District will provide to each protected handicapped student, without discrimination or cost to the student or family, those related aids, services or accommodations which are needed to provide equal opportunity to participate in and obtain the benefits of the school program and extracurricular activities to the maximum extent appropriate to the student's abilities.

In order to qualify as a protected handicapped student, the child must be school age with a physical or mental disability that substantially limits or prohibits participation in or access to an aspect of the school program. These services and protections for "protected handicapped students" are distinct from those applicable to all eligible or exceptional students enrolled (or seeking enrollment) in special education programs.

Gifted Education (Chapter 16): The Delaware Valley School District provides gifted education services to school-age students identified as gifted who require these services to reach their potential. In compliance with state and federal law, notice is hereby given by the Delaware Valley School District that it conducts ongoing identification activities as a part of its school program for the purpose of identifying students who may be in need of gifted education services. If your child is identified by the school district as possibly in need of such services, you will be notified of applicable procedures.

If you believe that your school-age child may be in need of gifted education services, you may request screening and evaluation at any time, whether or not your child is enrolled in the school district's public school program. Requests for evaluation and screening are to be made in writing to the School Counselor at the building your child attends.

CONFIDENTIALITY: All information gathered about your child is subject to the confidentiality provisions contained in federal and state law. The school district has policies and procedures in effect governing the collection, maintenance, destruction and disclosure to third parties of this information. Parents have the right to see and obtain a copy of their child's records. Personally identifiable information relative to an exceptional student will only be released with the permission of the parent and/or in accordance with the *Family Education Rights and Privacy Act* (FERPA) and the Pennsylvania Rules, Regulations, and Standards.
