Proposal Questions

Question #1 The question was asked at the pre-bid meeting where power was to be sourced for the new ticket sales booths and/or camera locations.

Response

**The Facilities Maintenance Electrician shared the following:
Assuming 115 Volt, 2 Amps per location.**

Tennis court location.

I recommend the panel in H1 electric room across from room 1012.

Football field North (BMS) end location.

I recommend getting power from the press box.

Press box location.

I recommend getting power from the press box.

Concession/Baseball location.

I recommend getting power from the concession stand.

Loeffler field locations.

I recommend getting power from the concession stand.

Jenny Parker Ticket booth location.

I recommend getting power from the concession stand.

Jenny Parker press box.

I recommend getting power from the press box.

Any change in power needs, would need to be evaluated at that time.
