HAVERFORD HIGH SCHOOL COURSE SELECTION PRESENTATION

9th, 10th, & 11th Grade Students

02/20/2026

LEVELS

Levels for core courses will be determined by teacher recommendations

****In order to override a teacher recommendation, parents will need to sign the waiver form on the reverse side of the verification sheets.****

SCHEDULING PROCEDURE

Think about college and career, what are your goals? Why do you want to take various courses? Why do you want a particular level of a course?

Access the course guide on counseling website: https://hhs.haverford.k12.pa.us/counseling/hhs-course-selection-process

Have discussions with teachers, parents, administrators, and/or counselors.

SCHEDULING PROCEDURE

Go through the electives fair today to get some ideas of the different offerings and what might be a good fit for you.

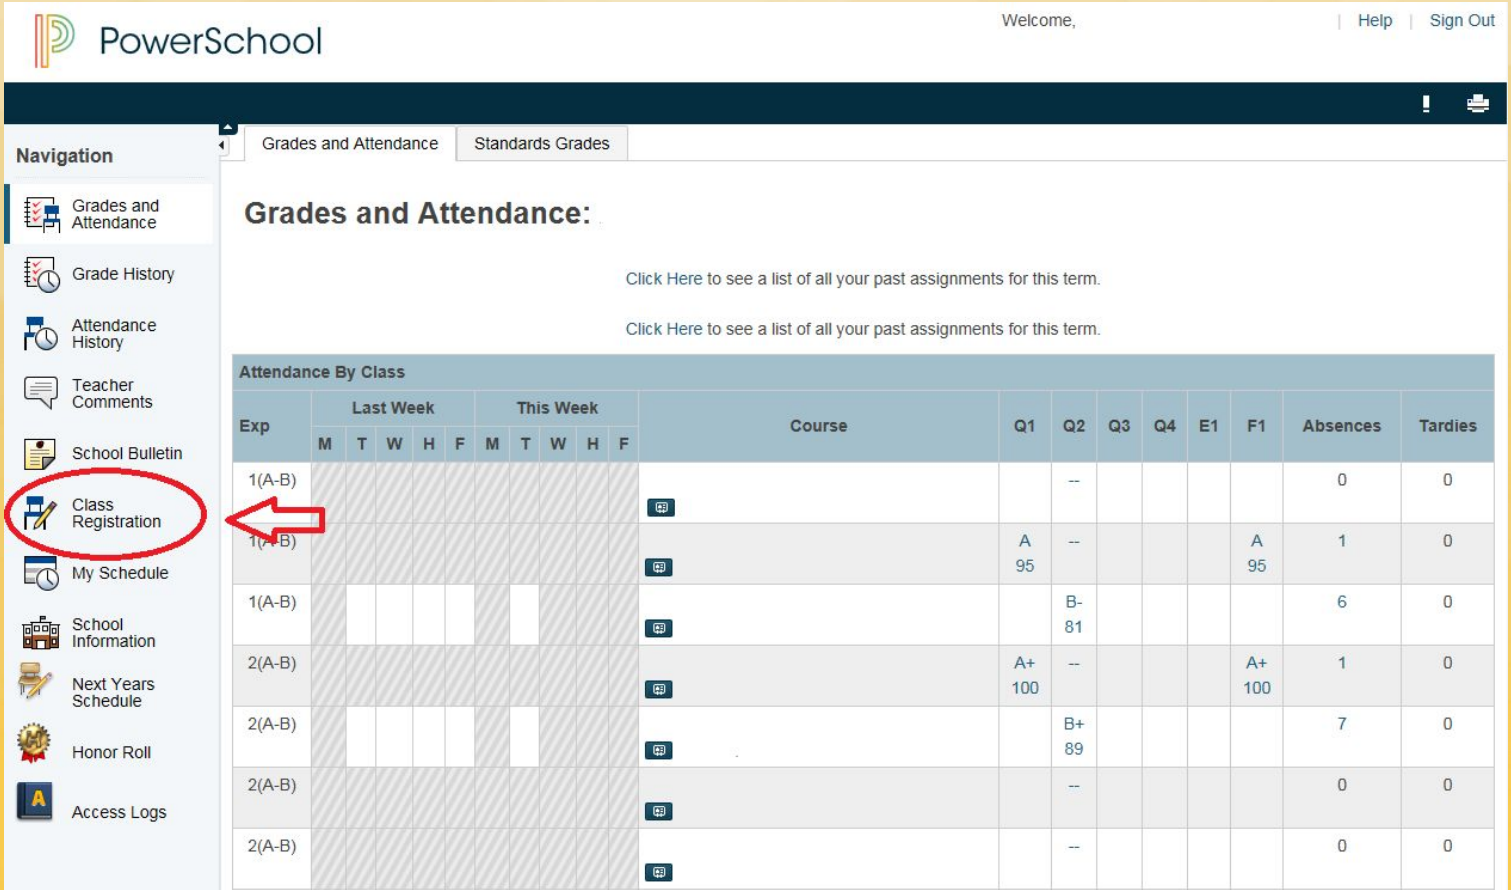

All half-credit (0.5) electives will be offered on an alternating day semester long schedule.

Counselors will visit homerooms during the coming weeks and assist students. Please also reach out to your counselor to schedule an appointment to discuss scheduling as well, if needed.

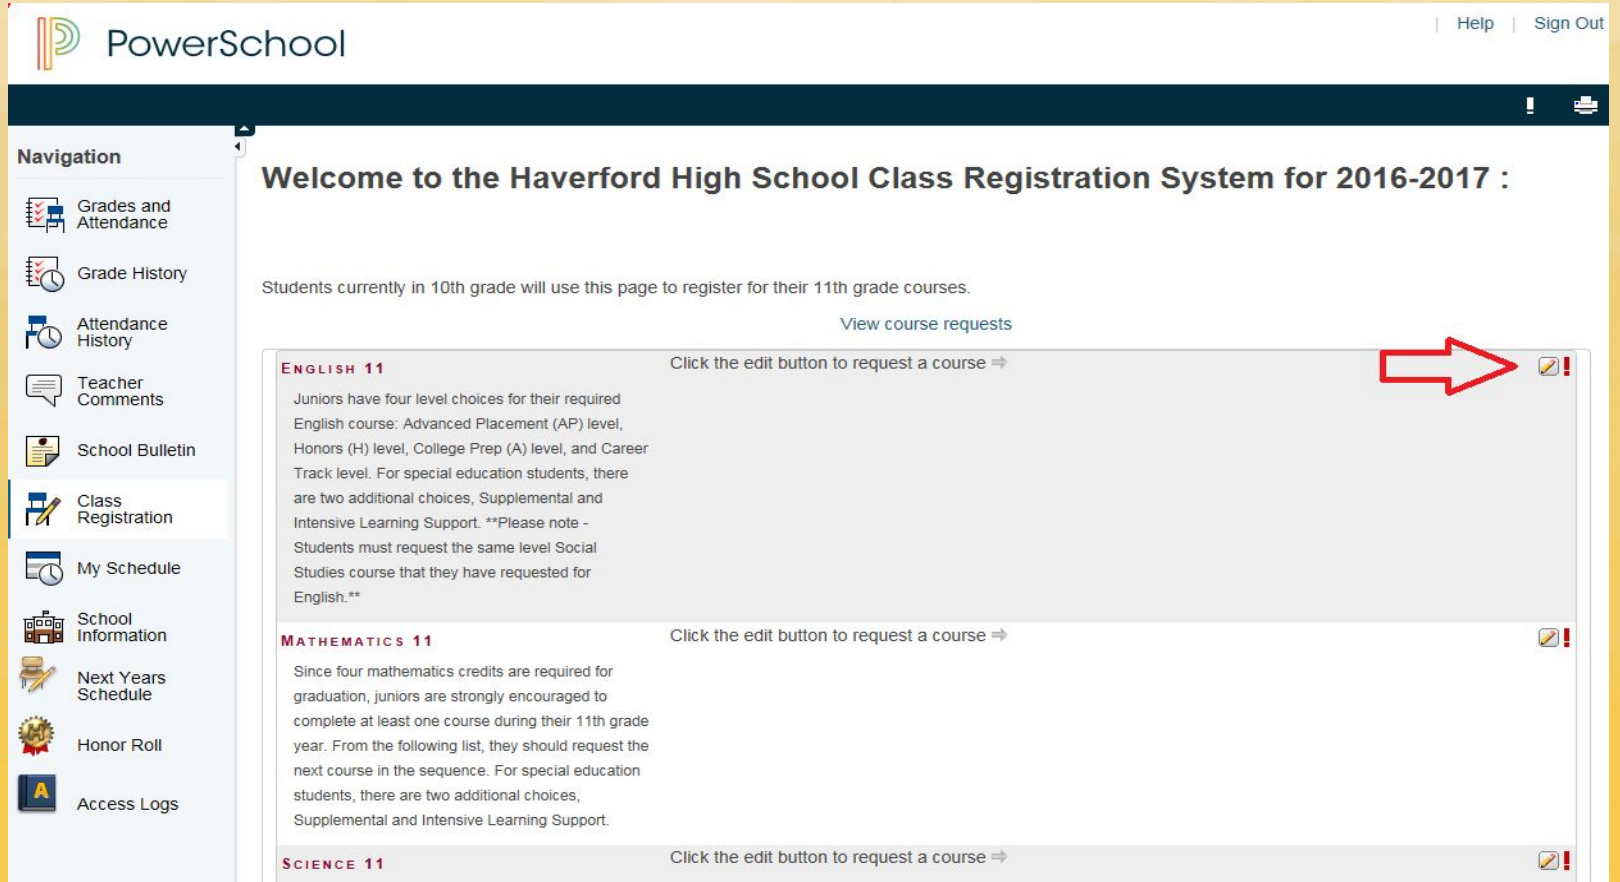

Access course requesting through PowerSchool student portal and enter requests.

- Juniors open Monday, 2/23
- Sophomores open Monday, 3/2
- Freshmen open Monday, 3/9

HHS WEBSITE/COUNSELING TAB

DELAWARE CO. TECHNICAL SCHOOL

Option for 11th and 12th grade students, and some 10th grade students (cosmetology).

Blocks 1 and 2 every day at DCTS and blocks 3 and 4 at HHS.

Over 15 different courses of study as shown at the assembly in December (consult with your counselor).

DUAL ENROLLMENT/DCCC

- Who is eligible?
- Generally Seniors “in good standing with required courses/graduation credits” – if you want to start earlier contact your counselor
- Students who wish to try out college courses to determine whether or not this is the right path for them, and/or wish to earn college credits during the last semester of their high school career
- Students will be responsible for tuition, materials and fees

DUAL ENROLLMENT/DCCC

- Contact your counselor and or grade level principal
- Students are approved by the DCCC Admissions Office
- Students submit college application and enrichment form
- Students undergo placement testing (English, reading, mathematics)
- Students who are considering this option should attempt to determine what courses they would like at DCCC and schedule their high school classes around them

PLEASE NOTE

Scheduling a minimum of 6.5 credits
is required for each student.

Students should try to schedule a full 8 credits.

****New summer school opportunities this year. Health, PE, and Financial Literacy are available for original credit (0.5 credits). The cost is $220. (Scholarships available based on need, email Mr. Donaghy to learn more)**

FAQS FOR HHS STUDENTS

How many Arts & Humanities credits are required for graduation?

2.0 credits of Arts & Humanities are required for graduation.

What courses fulfill the Arts & Humanities requirement?

There are many courses available to fulfill the Arts & Humanities requirement. Some of those include courses in the disciplines of English, Fine Arts, Music and World Language.

FAQS FOR HHS STUDENTS

Do I need to take two years of a world language to graduate?

Although world language is not required to graduate it does fulfill the Arts and Humanities requirement needed for graduation.

Also, many colleges and universities require the completion of 2 to 3 years of the same world language at the high school level for admission.

FAQS FOR HHS STUDENTS

Can I take a Study Hall?

It is recommended that students have a full schedule (8.0 credits), which does not include study halls.

FAQS FOR HHS STUDENTS

How do I know if I should take an Advanced Placement (AP) course?

Read the course description in the Course Selection Guide and meet with that AP teacher to ask questions about course content, workload, etc.

ANY QUESTIONS?
