7	Old Business ● 7.1- Review Budget ● Prop 28 School Safety Plan SPSA Budget	Chairperson *Presidente*	Budget Review Bilingual aide. ● Beginning of the year requested for a position. There was a positon at BGI, and we would take on for 2 days. ● Requested additional position for the other 3 days. ● Continued explanation with the district → after all staffing changes were made, at that point, it was discovered there were Title III funds that rolled over, so that money was used to covered bilingual aides. ● This $45k is in our account, but we may be able to roll over into next year. May be able to hire a regular sub for the remainder of the year for reading intervention (~$11k). ● This could be covered as a 'job share' ● Is this something that teachers (having a sub to do small group) would want? ○ In some cases. Students could be missing class, but that is OK b/c it is what the student needs.

			● Goal would be to have the individual collaborate with all teachers, and would be during the school day ● Could there be offered a stipend with SSC funding for early in year (planning for next year) to teachers to 'teach' parents. Ie: How to work with your students on math/reading 1.1 and 1.2 ● Survey is out to the teachers ● If a grade level or teacher wants it, we can. But overall, not as effectively used broadly ● For upper grades, could use IExcell, or brainpop ● There are some issues with access depending on either clever, etc. ○ The district needs to add to clever. ● Consider something for lower and one for upper -- starting a 12 month now (to cover summer and part of next year), and then can do more next year ● Luis to confirm decision on which platforms, etc. PBIS ● Looking to allocate to teachers vs. holding centrally fo the school Prop 28 For choir, we'll fund hours for Ms. Sanchez and cover supplies Looking for new choir risers, curtains, screen If we have something going, we can supplement, not supplant
