Parent Liaison/ Family Engagment

## About Me

I am a proud foster parent to five amazing children who bring so much purpose and joy to my life. Supporting and advocating for children and families is not only my passion at home but also in my career. I volunteer my time as a Family Engagement Liaison for my foster agency, where I work closely with families to provide guidance, encouragement, and meaningful support throughout their journey. I am a graduate of Lanier High School and am currently continuing my education at San Antonio College. I strongly believe in lifelong learning and personal growth, both professionally and personally. In my free time, I enjoy reading and dedicating quality time to my husband and family. My faith, family, and commitment to serving others are the foundation of who I am, and I strive every day to make a positive impact in the lives of those around me.
