Measure A Overview

\$180,000,000 Measure A Breakdown

- 2024 Measure A Authorization - 2025 Series A
- Remaining Measure A G.O. Bond Authorization

On November 5, 2024, the voters of the VICTOR VALLEY UNION HIGH SCHOOL DISTRICT authorized Measure A under the Proposition 39 statutes. Measure A authorized the issuance of \$180 million in G.O. Bonds. The net proceeds of the Bonds are intended to attract quality teachers, reduce high school overcrowding by expanding the number of classrooms including vocational labs, science labs, and engineering labs; improve safety; update security; update water systems.

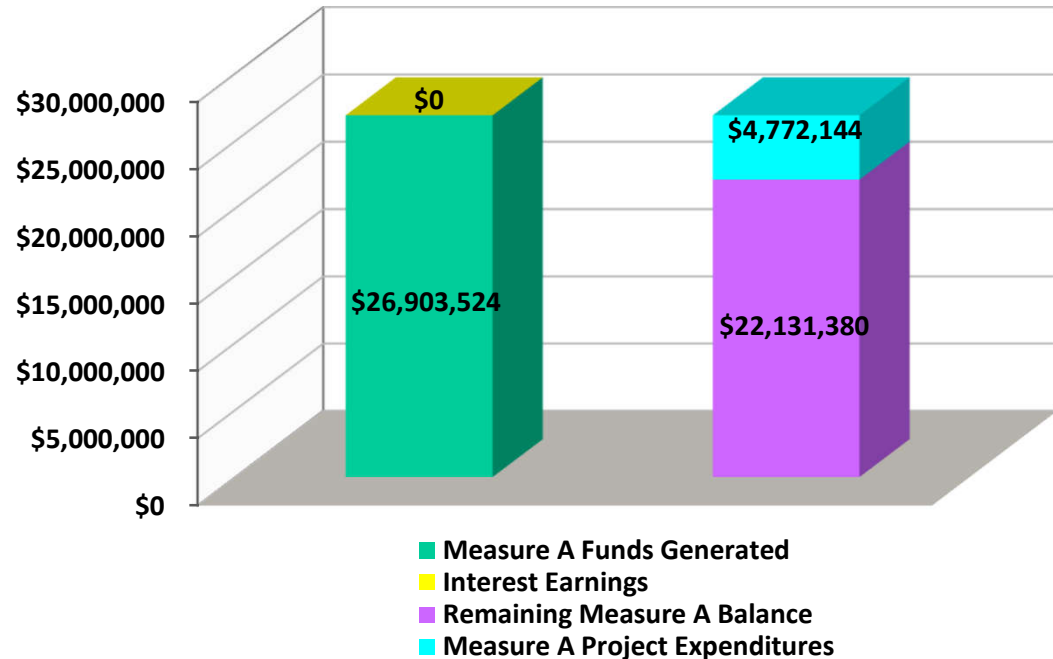

Measure A

Revenue and Expenditures

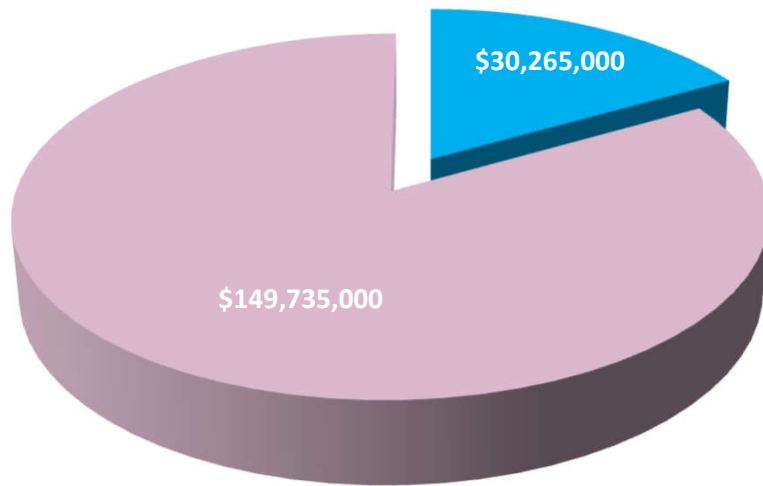

- ✓ **Measure A Combined Revenue** includes all Bond Measure issuances to date, as well as any **interest earned** on those funds.
- ✓ **Measure A Project Expenditures** show Measure A funds that have been paid on projects thus far, with the **Remaining Balance** reflecting the commitments to future POs.

Measure A Combined Revenue = \$26,903,524

Measure X Overview

\$180,000,000 Measure X Breakdown

- 2024 Measure X Authorization - 2025 Series A
- Remaining Measure X G.O. Bond Authorization

On November 5, 2024, the voters of the VICTOR VALLEY UNION HIGH SCHOOL DISTRICT authorized Measure X under the Proposition 39 statutes. Measure X authorized the issuance of \$180 million in G.O. Bonds. The net proceeds of the Bonds are intended to retain quality teachers, ensure healthy and safe classrooms by removing asbestos, mold, lead paint, and providing safe drinking water; repairing leaky roofs and repair gas lines; upgrading security systems, vocational labs, as well as vocational and career labs and classrooms.

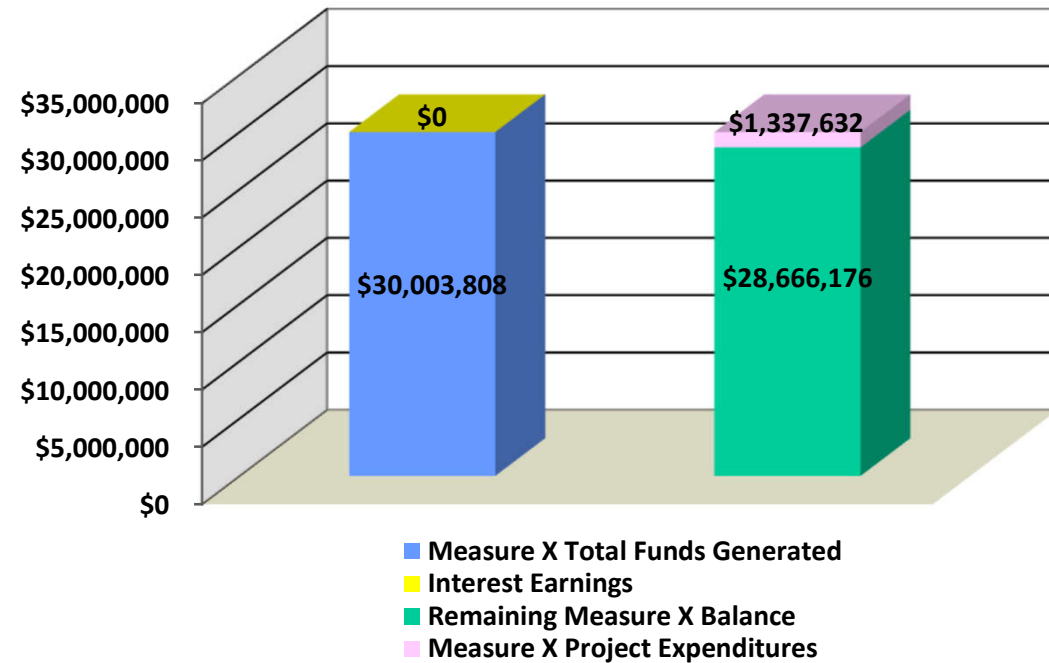

Measure X

Revenue and Expenditures

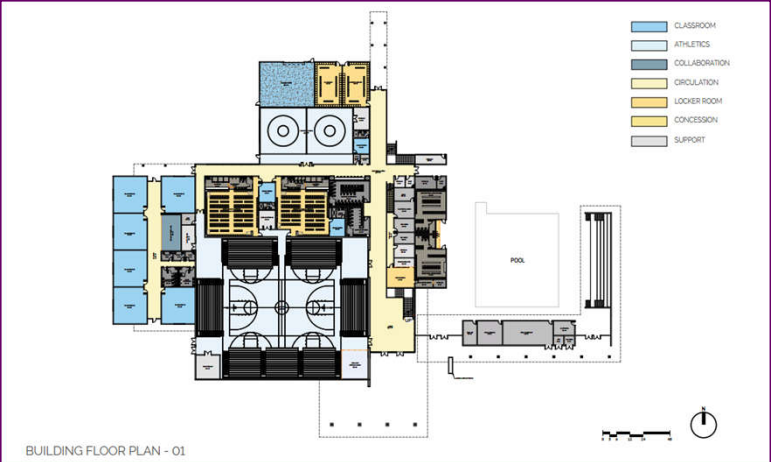

- ✓ **Measure X Combined Revenue** includes all Bond Measure issuances to date, as well as any **interest earned** on those funds.
- ✓ **Measure X Project Expenditures** show Measure X funds that have been paid on projects thus far, with the **Remaining Balance** reflecting the commitments to future POs.

Measure X Combined Revenue = \$30,003,808
