March 2026

Dear Bobcat Families,

Happy March! It is a favorite time of year, with more daylight and, hopefully, better weather, especially for those who choose to participate in an outdoor spring sport beginning Monday, March 2nd. As we head into Spring, many exciting things will be happening at AHS, so please take a moment to look at the calendar of events. We are well into the semester, so here are four important steps that you can take to ensure student success:

- **Check Skyward:** Stay on top of assignments by taking a moment each week to check for any missing work.
- **Attendance:** We need you here, and if you are out, you can guarantee you will miss something. Talk to your teachers to stay up to date with assignments.
- **Communicate with Teachers:** If you're having trouble letting your teacher know you're struggling or not understanding content, shoot them an email! They are invested in your success, too!
- **Stay Involved:** Whether it is clubs, sports, music, or volunteer work, it is important for us all to have healthy outlets for connections beyond schoolwork.

As always, please contact teachers, counselors, or administration if you have any questions.

Business Week for Juniors is coming!

During the week of March 30th–April 3rd, ALL juniors will be doing our annual Aberdeen Rotary Business Week at Aberdeen High School. We are excited to hold this event in late March so that all Running Start students will be able to participate with the rest of their classmates as there are no college classes that week.

Students and some staff will be participating in this fun and engaging discovery learning experience. Small “companies” of students led by a business person from the Grays Harbor area will operate their own businesses while learning about principles of business and marketing and competing against other companies. Through our hands-on approach, students will gain a vision of how the core subjects such as math, English, technology, art and other curriculum will apply to their lives after graduation

Parents can help their students be successful by talking with their students about their experiences at the end of each day and encouraging them to take an active part in all of the activities. Contact Lynn Green with the Aberdeen School District at 360-538-2038, lgreen@asd5.org with any questions.

Marzo 2026

Queridas familias de Bobcats,

Feliz Marzo! Es un tiempo favorito de año, con más luz del día y, ojala con, mejor clima especialmente para los que participan en un deporte de Primavera al aire libre a partir de Lunes 2 de Marzo. Con la llegada de la primavera, habrá muchas cosas emocionantes en AHS, así que por favor, tómense un momento para consultar el calendario de eventos. Ya estamos en pleno semestre, así que aquí les presentamos cuatro pasos importantes que pueden seguir para asegurar el éxito estudiantil:

- **Cheque Skyward:** Manténgase al día con las tareas tomándose un momento cada semana para verificar si hay trabajo faltante.
- **Asistencia:** Te necesitamos aquí, y si no estas te garantizo que perderás algo. Habla con tus maestros y mantente al día con tus tareas.
- **Comunícate con maestros:** Si te cuesta avisarle a tu profesor que tienes dificultades o que no entiendes el contenido, ienvíale un correo electrónico! ¡Ellos también se preocupan por tu éxito!
- **Manténgase involucrado:** ya sea en clubes, deportes, música o trabajo voluntario, es importante que todos tengamos salidas saludables para conectarnos más allá del trabajo escolar.

Como siempre, porfavor contacte maestros, consejeros, o administración si tiene alguna pregunta.

¡Semana Profesional para Juniors!

Durante la semana del 30 de marzo al 3 de abril, TODOS los estudiantes en su penúltimo año estarán haciendo nuestra Semana Profesional en la escuela secundaria de Aberdeen. Estamos muy contentos de celebrar este evento a finales de marzo para que todos los estudiantes de Running Start puedan participar con el resto de sus compañeros ya que no hay clases universitarias esa semana.

Los estudiantes y parte del personal participarán en esta divertida y atractiva experiencia de aprendizaje. Pequeñas compañías de estudiantes dirigidas por un empresario del área de Grays Harbor operarán sus propios negocios mientras aprendan sobre principios de negocios y marketing y compiten contra otras compañías. A través de nuestro enfoque práctico, los estudiantes obtendrán una visión de cómo las materias básicas como matemáticas, inglés, tecnología, arte y otros planes de estudio se aplicarán a sus vidas después de la graduación.

Los padres pueden ayudar a sus estudiantes a tener éxito hablando con ellos sobre sus experiencias al final de cada día y animandoles a participar activamente en todas las actividades. Si tiene alguna pregunta, por favor comuníquese con Lynn Green en el Distrito Escolar de Aberdeen al 360-538-2038 o lgreen@asd5.org.
