A pop-up window will appear listing all available calendars (both full calendars and specific sub-calendars).

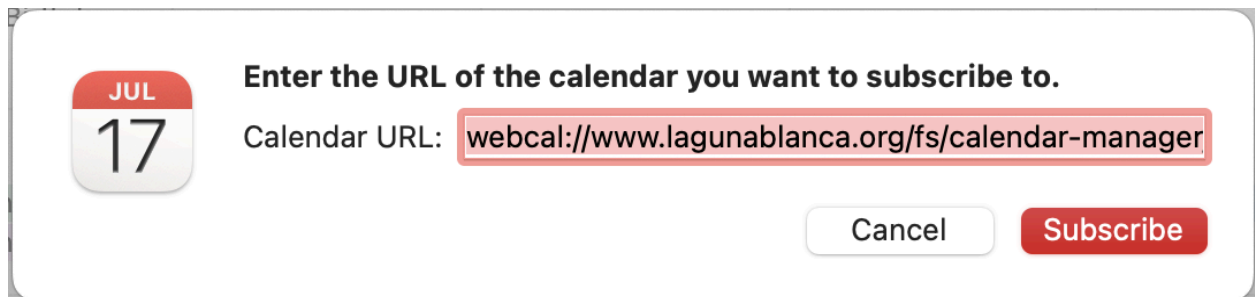

Find the calendar you wish to subscribe to and click **Add to Calendar**.

A system message will appear. Select **Open Calendar**.

Your browser will automatically open the **Apple Calendar (iCal)** app.

A subscription window will appear showing the calendar link.

Click **Subscribe**.

You're all set! The calendar will now automatically update in your Apple Calendar app.
