**CHARACTER TRAIT FOR MARCH:**

**COOPERATION**

This month's focus is Cooperation. One way to think about Cooperation is "working together to reach shared goals." As a family, talk about how this definition applies to how you work together at home. What are some goals you share? Cooperation is 1 of 3 traits we will focus on throughout the year that helps students Be Kind. Throughout the school, students will be developing skills like perspective-taking, conflict resolution, and leadership.

In need of resources? Have any questions/concerns?
