NEWS AND EVENTS

March is Youth Art Month

Help us celebrate! March is Youth Art Month!

YAM is an observance nationwide to emphasize the value of art and art education for all children and to encourage support for quality school art programs. Our department is busy this time of year prepping for many competitions and events. We have students' work displayed alongside world renowned artists at well known museums and galleries.

Student pieces currently on display at: The **Milwaukee Art Museum** for the Scholastic Art Show until **March 15th**.

Upcoming shows:

- **The Congressional Art Show** at the Neville or Trout Museum late **April-mid May**
- Our annual **District Art Show May 7th**, which will coincide with the High School Choir Concert. The k-12 district show will be here in the **High School commons** again so mark your calendars!

At any time you can also check out our [Instagram page](#) (dphs_art_dept) which showcases finished work, in progress videos, and behind the scenes of many of our assignments and weekly events in the art room. See our regular gallery displays and our mini gallery downstairs for updated work. Fun art challenges to come too! On behalf of the Art Department, Thank you!

Student Voice Listening Sessions: Sign-up Today!

Our school district would like to invite you to one of our student listening sessions. Below are the flyers that explain the details of the sessions, including time and place. If you are interested in attending, click on the flyers, scan the QR code, and submit your name.

DPHS Teachers earn Golden Apple Awards Teacher of Distinction Honors

De Pere High School teachers Michelle Kontny and Sao Yang will move on for consideration as Golden Apple Award winners.

Kontny teaches advanced placement European history and psychology, and Yang is an English language arts educator at the High School.

Golden Apple Award winners are selected from among area educators who have earned the Teacher of Distinction recognition. Winners are announced in April.

Launched 33 years ago, the Greater Green Bay Chamber's Golden Apple Awards program annually recognizes high-quality educators in Greater Green Bay in areas of professionalism, leadership, and innovation. The program is designed to improve awareness and the importance of quality education within our community. This year, 172 educators and 7 teams from the Unified School District of De Pere were nominated for a Golden Apple Award.

Attention Seniors

Your DPHS Class of 2026 shirts are ready to order! Follow this link (<https://TeamUpAthletics-GreenBay.chippily.com/dphsseniors26>) to order. Ordering will be open until March 1st. Attendance Spotlight from Wisconsin DPI

We all know kids get sick, but when should you keep them home versus sending them to school? [Here are some tips](#) from the Wisconsin Department of Public Instruction for when to keep your child at home.

Attendance Matters

As we progress through the school year, we would like to take a moment to emphasize the critical importance of consistent school attendance for your child’s academic success. Each class session provides an invaluable opportunity for learning, personal growth, and fostering meaningful connections. Regular attendance not only helps students develop essential habits but also strengthens the relationships that contribute to success, both during high school and beyond.

Research consistently demonstrates that students who attend school regularly are more likely to remain on track academically, feel a greater sense of belonging within the school community, and cultivate the confidence needed to succeed after graduation. Even a few absences can create significant challenges, particularly in the fast-paced environment of high school coursework.

We recognize that there are instances when absences are unavoidable, and we understand that each family’s circumstances are unique. Our goal is not simply to monitor attendance but to actively support it. If your family is experiencing challenges—whether related to transportation, health issues, or other concerns—we encourage you to reach out. Our counselors, social workers, and administrators are available to collaborate with you and explore solutions that meet your needs.

Together, we can ensure that every student remains present, engaged, and fully prepared to learn. We greatly appreciate your continued support and partnership in helping your child reach their fullest potential.

Teens can obtain a permit in WI at age 15.

- Teens will not be allowed to apply for their probationary license until they are at **least 16 years old, hold their permit for at least 6 months ticket free, practice hours of at least 50 hours and 10 of those at night, and have completed all of driver education (classroom and BTW lessons).**
- Another change is that the **permit will be good for 18 months** instead of 12 months. All 16-17 year olds **will have to take the road test.**
- The new law changes the number of practice hours required during the permit phase, it changed from **30 hours to 50 hours.** The DMV does not collect the practice driving record when teens go for their road test however they may ask to see it or the **Road Ready app** which also tracks practice time.
- Your teen should work toward at least *100 hours of practice with 30 of those at night* based on national recommendations put forth by AAA Foundation research in order to give novice drivers more experience before licensing (shows it reduces crashes after licensing). Our common goal for everyone is to have fewer crashes, injuries, and fatalities involving teens and all other drivers. Use of the Road Ready app is a great tool for them to track their progress of practice hours.

Who is eligible to enroll? Any student who is 14 years/10 months to 18 years old. Sign up information is located on the De Pere High School webpage under the "Students" tab under the Driver's Education link. You could also go to https://www.cesa2drivered.org/services.phtml/depere_high_school to access information regarding Driver's Education at De Pere High School.

Unified School District of De Pere 2026 Summer School, June 2nd-19th

****Please note- Summer School is NOT the same as Credit Recovery offered by DPHS****

Course Request Period Begins Monday, April 13th at 8:00am

Class offerings include exploratory, enrichment, sports, math and reading intervention classes.

Summer School catalogs are available to view online, along with important instructions about requesting courses. Go to the district website, www.deperek12.org, click on "Teaching and Learning", then on "[Summer Programs](#)."

Pre-K through grade 2 courses will be held at Dickinson Elementary, and courses for grades 3 – 8 will be held at Foxview Intermediate School. Speed and Strength, ACT Prep classes, and some athletic programs will be held at the High School.

Parents/students will use the Infinite Campus Portal to request courses from those offered. The request/scheduling process will consist of a daily cycle during the registration window of April 13th through 17th (see details in the [Registration Guide](#)).

Summer School course requests will be accepted on the Infinite Campus Portal beginning **Monday, April 13 at 8:00 AM** and concluding on Friday, April 17. **The Portal request option will be closed between 6:00-8:00am each day** to allow the automated scheduler to process the previous day's requests.

DO NOT LOG INTO THE PORTAL PRIOR TO 8:00AM EACH DAY.

- **If your child is a current student in a De Pere school OR already has an enrollment for the 26-27 school year**, you will log in to your Parent Portal account between 8:00am Monday, April 13 through Friday, April 17, to enter your summer school class requests.
- **If your child is not currently enrolled at a Unified School District of De Pere school but did attend summer school in 2025**, you already have a Parent Portal account and a 2026 summer school enrollment was created for you. You will log in to your Parent Portal account between Monday, April 13 and Friday April 17, to enter your summer school class requests.

If you require assistance accessing your Parent Portal, contact your child's school, the Summer School Secretary, or the district office.

- **If your child is not enrolled in a Unified School District of De Pere school and did not attend summer school in 2025, you must complete a [Summer School Only enrollment](#). This option will be available on March 1.** After your summer school-only registration is processed by our staff, an automated email will be sent to you that will include the user name and password for your Parent Portal account. **You must complete a summer school only enrollment by March 27 to ensure access to the Summer School course requests on April 13.**

More about the course request process

- An automated system will honor as many requests as possible.
- It can be considered a daily lottery, as there is no preference given to any student when creating a class roster.
- However, there is some advantage to entering course requests on the first day of the course request period, prior to classes starting to fill up.
- It's also beneficial to enter alternate course requests, in case first choices aren't met.
- Grade levels listed in the catalog are for the CURRENT school year. Request courses based on your child's current grade in school.
- There are no exceptions for placing students in classes that don't match their current grade level.

REMINDER: Do not log into the Portal before 8:00am each day during the course request period (April 13-17). The option to request summer school courses will not appear until 8:00am.

CLUBS AND BOOSTER EVENTS

Jam Session places 3rd overall!

Jam Session finished third this weekend at the Marion Masquerade Show Choir Competition in Marion, Iowa. Jam Session is proud of this top three finish in a very tough competition against schools from Iowa, Nebraska, and Wisconsin. The last competition of the season will be March 14th at Green Bay Southwest High School where they will defend their Grand Champion title.

Aurora BayCare Offers Student-Athlete Sports Physicals at DPHS

On **Tuesday, April 7** and **Monday, May 18**, Aurora BayCare Sports Medicine will offer comprehensive sports physical exams at De Pere High School for students currently in Grades 6-11.

Appointments will be scheduled every 15 minutes, beginning at 5:30pm. Allow 30-40 minutes for the appointment.

The appointment will include a full health screening by a physician or physician assistant, a vision exam, and evaluation for ACL injury risk. This physical will meet school and WIAA requirements for the 2026-27 and 2027-28 school years. A parent or guardian must accompany the student, or sign a parent consent form.

Cost is \$25. All proceeds will be donated by Aurora to De Pere Athletics. [FLYER](#)

To sign up your student-athlete for an appointment, contact DPHS athletics secretary Kerry Guyette at kguyette@depere.k12.wi.us (preferred), or 920-983-9174, ext 4013.

WIAA NIL Policy

The 2025-2026 school year marked the first year the Wisconsin Interscholastic Athletic Association (WIAA) adopted language to allow athletes to profit from their Name, Image and Likeness (NIL).

There are now at least 32 states with approved NIL language in the high school interscholastic rules, and more states are considering adopting rules to adapt to our increasingly digitally personalized world.

If you are a parent of a high school athlete in a WIAA sport, and a business approaches you about NIL, there are a number of considerations to review. Please take a look at this information provided by the WIAA and our conference, the Fox River Classic Conference, because NIL contracts can affect participation if not handled correctly.

Greater Green Bay Chamber Teen Leadership Application

We are excited to announce the Teen Leadership application for the 2026-27 program year will open March 9. The Greater Green Bay Teen Leadership program helps build and strengthen emerging young leaders with skills, knowledge and experiences that prepare them to be effective partners for positive change in the Greater Green Bay area.

High school sophomores from Brown County meet once a month to learn about areas such as the history of our community, government, small business & innovation, health & wellness, the environment and much more. The session days consist of tours, speakers, hands-on activities, and thought-provoking discussions.

Applications will be due Friday, April 17th.

I would be happy to stop by your school to speak for 10 minutes with any freshmen students about this program during the week of February 23. Provide a few dates and times that would work best. Also, attached is a flyer to share at your school with any current freshman who you feel would be a good fit for the program.
