MISSION STATEMENT

Pleasant Valley Elementary School will focus on student centered learning and promoting the education of the **WHOLE** child! We will **ALL** work together in a collaborative manner to promote student success.

A MESSAGE FROM THE PRINCIPALS

Get ready to celebrate the joy of reading with PVE's Read Across America week! Our goal is to inspire a lifelong love for reading in our students. The celebration began with a pep rally on February 27th. Throughout the first week of March students will participate in various exciting activities, including:

- **Guest Readers:** Special visitors will share their favorite stories.
- **Themed Dress-Up Days:** Students can show their spirit with fun outfits.
- **Special Activities:** Engaging, reading-focused events.
- **"Drop Everything and Read":** The entire school will pause to read together.

This year's "One Read" book is *Mercy Watson to the Rescue*. Classes will read it together during the week, and every student will receive their own copy to take home.

We are truly excited about all the events planned and encourage you to continue celebrating reading with your child at home!

A NOTE FROM THE NURSES

Happy March! Kindergarten students will be sent home with permissions for physical examinations from our St. Luke's doctors for them to be seen here at school for their yearly physical if you wish to do so. If you have a physical or dental from your primary doctor, please send them in with your student if you haven't done so already.

Please make sure to send your student in with a change of clothes as accidents do happen. If your child is sent home with shirts/pants from the nurses office please return them as soon as possible as we are running low on clothing options for students. They receive a bear paw whenever they return any clothing!

COUNSELORS' CORNER

The counselors will be wrapping up our weekly lessons this month for the school year and giving our end of the year assessments. These short assessments are used to see how much our students have grown and the skills they have learned throughout the year in the SEL Lab.

Our Kindergartners will be finishing the year with a lesson about kindness. First graders will be finishing with a lesson on problem solving and how to respectfully handle problems in and outside of the classroom. Lastly, Second grade students have been working hard on career exploration. We love seeing how much our students have grown this year!

MARCH CALENDAR OF EVENTS/DAYS

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
2	3	4	5	6
DAY 2 	DAY 3	DAY 4	DAY 5	DAY 6
9	10	11	12	13
