Embrace Legacy

Embrace Legacy is a support group for young teen dads. It is a place where they can connect with each other once a week and attend a 12 week mentorship program designed to help them be successful in school and home.

Each Semester they will get:

- Real conversations about fatherhood, responsibility, and the future
- Support from other young dads at school
- Fun field trips and shared experiences

It shows them being a father does not mean they have to miss out on goals and opportunity.

thank you

Embrace Grace

Crossroads Church offers a supportive mentorship program created to encourage, educate, and empower teen moms. Over the course of 12 weeks, participants receive guidance, practical parenting education, and personal mentorship designed to help them grow in confidence and build a strong foundation for their future.

In addition to weekly support and learning opportunities, the program celebrates each mom in meaningful way. At the end of the program the mom will receive a special baby shower to help provide essentials for their little one and a memorable Princess Day dedicated to reminding them of their worth, strength, and value. Through mentorship, community, and celebration, Crossroads Church walks alongside teen moms every step of the way. After this the 12 weeks the girls can join Embrace Life.

How to Catch the Easter Bunny

It is easy to see why this illustrator and author are on the *New York Times* Bestsellers! Love all the names for the Easter Bunny! What pet names do you have for your baby!

Children will love hearing the adventure of all the traps the skillful bunny escapes. Can you remember them all and his skills? Of course, we know who his favorite kid is – YOURS!

Again, when your child is ready for rhyme, pick out similar sounding syllables such as "crew" and "you", "home" and "roam", "plate" and "bait", "strife" and "life" and more!
