

A Small Update Can Make a Big Difference This Summer!

The **Winston County Board of Education** is sharing important information about **Alabama SUN Bucks** to help your family receive vital summer grocery support.

- Through the Alabama SUN Bucks program, eligible school-age children will receive a **one-time grocery benefit** this summer. Your family will receive a **SUN Bucks card** with funds pre-loaded and ready to use for groceries. If you receive [SNAP/FDPIR], your school-age children are automatically eligible for [SUN Bucks/Program Name]. You won't need to apply. Find out more: www.fns.usda.gov/summer/sunbucks
- If your child attends a school that offers the National School Lunch or School Breakfast Program and your household income meets the requirements for free and reduced-price school meals, your child is eligible to receive [SUN Bucks/Program Name] grocery benefits. Important Reminder:

Your child's SUN Bucks card will be mailed to the address currently on file with your child's school. If you have moved or your address has changed, you must update your information to ensure your card is delivered.

Address updates must be completed before March 2, 2026.

If your address has changed, please contact your child's school as soon as possible to update your information in PowerSchool.

Taking a few minutes to confirm or update your address can help ensure your family receives this important summer benefit.

Thank you for supporting your child and staying connected with Winston County Schools.
