

SCIENCE palooza

2026

★ COMMUNITY CALL FOR ★ ★ STEM ACTIVITIES ★

Looking for **Local Organizations**
to Lead **Hands-On STEM** Demonstrations!

We're looking for student clubs
to run the action.

🕒 EVENT DETAILS

📅 March 27, 2026

🕒 9:30 AM – 12:00 PM

📍 Barstow High School

- ✓ 8 groups of students (~24 per group)
- ✓ Each rotating through stations for 15-minute sessions

Fast-paced. Hands on. High energy. Repeatable.

⚠️ YOUR PRESENTATION ★ ★ YOUR SUPPLIES ✨

Supplies are your responsibility:
please plan fun **hands-on** activities
for all 15-minute groups.

ID required day of event:

In alignment with Barstow Unified School District safety procedures, all guests are required to present a **valid** government-issued photo ID. Identification will be screened through the district's visitor management system prior to event entry.

LEAD A HIGH-ENERGY, INTERACTIVE STEM ACTIVITY!

Curious 3rd-8th graders..

- ✓ 8 rotating groups...
- ✓ It's time to spark their curiosity!
- ✓ Engineering challenges
- ✓ Art + technology explorations
- ✓ Environmental experiments
- ✓ Medical/health simulations
- ✓ And more!

Sign ups due **March 20**
