JBHS COUNSELOR CORNER

March 2026

As we head into the last 10 weeks of the school year, we want to remind you that this is a great moment to refocus, stay organized, and finish strong. Break big tasks into smaller steps, lean on routines that help you stay grounded, and reach out if you need support—we're here for you.

Looking ahead, summer offers a valuable chance to rest and recharge while also exploring interests you may not have time for during the school year. Whether you're considering a part-time job, volunteering, taking a class, or diving into a creative project, even a little intentional planning can help you make the most of the months ahead. Most importantly, give yourself space to relax, reconnect, and enjoy the break you've earned.

A-G REQUIREMENTS

A: History - 2 years

B: English - 4 years

C: Mathematics - 3 years (4 years recommended)

D: Science - 2 years (3 years recommended)

F: Visual and Performing Arts - 1 year

G: College Preparatory Elective - 1 year

A-G courses will help you prepare for many paths after high school

May 25

GRADUATION
May 28

TIPS TO IMPROVE YOUR HIGH SCHOOL RESUME

Build Skills That Pay Off Later

Learn something you won't have time for during the year. Coding, graphic design, a new language, cooking—anything that sparks curiosity.

Prepare for College

Visit a few campuses. Even informal walks help you figure out what environments you like.
