

## OXNARD SCHOOL DISTRICT

1051 South "A" Street • Oxnard, California 93030 • 805/385-1501

[www.oxnardsd.org](http://www.oxnardsd.org)

# What is the Seniority List and Why it is Important?

The **seniority list** ranks classified employees based on their *hire date in a permanent position within their classification*. This is also known as *Length of Service* and is defined in the CSEA contract (Article 20) as the date an employee first started working in a permanent classified role, including in equal or higher classifications.

### What Is It Used For?

The seniority list is used for several key purposes:

#### 1. **Layoffs and Bumping Rights**

If the District needs to reduce staff due to lack of work or funding, the seniority list helps determine the order of layoff. Employees with less seniority are laid off before those with more seniority. Senior employees may also have the right to "bump" into other positions they've previously held if their current position is eliminated.

#### 2. **Reemployment Rights**

Laid-off employees are placed on a reemployment list in reverse order of layoff (most senior first). When positions reopen, they are offered reemployment based on their place on the seniority list.

#### 3. **Extra Hours and Overtime Opportunities**

When temporary extra hours or overtime are available, those opportunities are often offered first to the most senior employees in the classification at the site who are qualified (Article 8.10).

### Why Are We Sharing It?

We are sharing the seniority list so employees can:

- Confirm their seniority and ensure the information is accurate.
- Understand how staffing decisions are made.
- Know their rights under the contract.

For questions about how the seniority list is used, feel free to reach out to your Chapter President, Victor Centeno at [v2centeno@oxnardsd.org](mailto:v2centeno@oxnardsd.org) or your CSEA representative, Lisa Towery, at [ltowery@csea.com](mailto:ltowery@csea.com).

If you believe your seniority date is incorrect, please contact Classified Human Resources so we can review your employment record at (805) 385-1501 Ext: 2070.

Sincerely,

Adalberto Fuentes, Ph.D.  
Director of Classified Human Resources  
Personnel Commission

# LAYOFFS AND REDUCTIONS FAQs

## If My Position Is Reduced

### **Do I need to apply for my own reduced position?**

No. You may accept the reduction by returning the Layoff Response Form included with your 60 day notice. If you do not return the form by the deadline, you will be considered to have accepted the reduction.

### **What if I do not want the reduction?**

You may exercise displacement rights under Article 20 of the CSEA Agreement. Options may include:

- Placement into a vacant position in the same classification
- Bumping a less senior employee in the same classification
- Bumping into a lower classification in which you previously served
- Voluntary demotion into a vacant classification, if qualified

## Displacement and Seniority

### **Can I bump someone at another school or site?**

Yes. Displacement rights are applied District wide, not by location.

### **How is seniority calculated?**

Seniority is based on length of service in a permanent position in the affected classification, including equal or higher classes. The least senior employee in the classification is laid off first.

### **Does having different hours affect class status?**

The same class means the same job description, regardless of hours or months worked. However, hours and months may affect the order of placement.

## Reemployment and Benefits

### **If I am laid off, what happens?**

- You will be placed on a 39 month reemployment list.
- You have priority for reemployment in your classification.
- You may participate in promotional examinations during the 39 month period.
- Health benefits continue through the remainder of the month in which layoff occurs plus the following month.

### **If I voluntarily demote or accept a reduction in hours in lieu of layoff:**

- You receive the same 39 month reemployment rights.
- You may retain eligibility for reemployment for up to 24 additional months, provided the same tests of fitness still apply.
- If you experience a reduction in hours in lieu of layoff, health benefits continue for six months as provided in the contract.
