

Why is Enrichment Important

- ♥ Our hobbies and interest make us who we are
- ♥ Not everyone's know their passion while in middle school but learning new things can point them in the right path 
- ♥ Trying new things can be expensive, but our classes and supplies are free to our program students!
- ♥ Our classes so give the opportunity for students to engaged with others and explored their talents 
- ♥ Enrichments can teach valuable life skills and encourage positive character traits such as Curiosity, Courage, Creativity

Fridays are Fun At Titan Academy

Our top quality staff put a lot of effort into planning fun and engaging events to make Fridays extra special every week!

The type of event varies but we do our best to make sure that there's something for everyone to enjoy so we can all have the best day possible

Wednesdays & Fridays schedules are subject to change due to Special Events and Full-Program special Activities

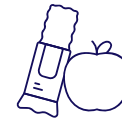

Check-in:

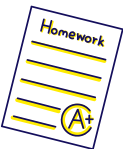

Students have 10 minutes to check in once the school bell rings

Snack:

All program students receive a free healthy snack every day and have time to eat, drink, and socialize

Homework:

Students have 45 minutes of designated homework time in a structured classroom environment. With our qualified staff available for tutorial and homework help (time subject to change depending on students in need of help)

Enrichment:

Staff teach fun classes to our students the chance to learn new skills or practice on fun hobbies

Cool Down/SEL:

S.E.L, boardgames, and group activities are how we end our day. This is also another chance for more tutorial
