Dear Members of the West Catholic Prep Community,

As previously announced, Andrew Brady '02 will conclude his service as President of West Catholic Preparatory High School at the end of this school year.

On behalf of the Board of Directors, I am writing to share an update on the search for our next President.

The Board has formed a Presidential Search Committee that will work closely with the Archdiocese of Philadelphia to guide this process. The committee will also partner with Lambert & Associates, a nationally respected firm with deep experience in Catholic school leadership searches. Their team has supported numerous diocesan and Lasallian institutions, and we are confident they will help guide this process with professionalism, discretion, and care for our mission.

The Presidential Search Committee is composed of the following members of the Board of Directors:

- Jeanie Heffernan '80, Chair
- Fran Crowley '77
- Michael Ferry '90
- James Logan
- Alix James
- Tia Noelle-Pratt, PhD '95

Working together with the Archdiocese and Lambert & Associates, the committee will lead a thoughtful and mission-aligned search to identify a faith-filled and visionary leader who understands the unique strengths and legacy of West Catholic Prep and is prepared to build on the strong foundation already in place.

The search will take place over the coming months, with the goal of announcing the next President in advance of the 2026–2027 academic year to support a smooth transition. More information about the Presidential Search, including the job posting and search committee, is available here:

We ask for your prayers for our Board and Search Committee as they undertake this important responsibility. More updates will be shared as the process moves forward.

With gratitude,

Jeanie Heffernan '80  
Chair, Board of Directors
