School Description

We are proud of the programs and opportunities we have at Redmond Middle School for students. We have a robust ASB and leadership program that is committed to increasing student voice and participation throughout our school. We offer electives in STEM, Art, Culinary Art, and Music. Our high-quality music program for Band, Orchestra and Choir gives students an opportunity to compete as well as perform. We have high participation in all our sports programs, and each year we have numerous club offerings completely driven by student interest.

We have Grizzly Time, a homeroom that helps all students feel connected and valued, as well as interventions during the school day for students that need extra time or support to meet our high expectations. Our parent support through PTSA is excellent and responsive to all out needs. Finally, we have a caring and hard-working staff committed to helping students achieve academic and personal success.
