Agenda
1. Roll Call a. Present: Adam Weldai, Jenny Johnston, Sabrina Shrestha, Caitlin Clear, Ellen Adams, Meghan Bowe, Lillian Wong 2. Public Comment 3. Principal's Report 4. Mid-Year Data Overview a. Mr. Weldai reviewed the mid-year iReady and IXL data b. We had a robust discussion about trends in the data, as well as some of the connections to instructional strategies and where we see connections to our school improvement plan c. We looked at MCAS data in particular, and discussed some of what we had seen in terms of growth and areas for improvement, and hypothesized what some of the reasons might be 5. Electronic Device Use (Policy and Practice) a. The group had a robust discussion about chromebook usage, and broke down where we're seeing chromebooks used in each grade level, and the frequency around the usage b. Mr. Weldai shared district policy vs. practice, and where things have come from over time c. The discussion moved to kids taking home chromebooks older than 5th grade, and the effectiveness of them d. We also looked at different areas of the curriculum and where things are necessary to work with technology and where they can be done with paper/pencil. 6. Upcoming dates (3/9, 4/27, 6/1) 7. Closing
