Fannin Family,

We are excited to announce that the Fannin County School System has achieved a district-wide **Governor's Office of Student Achievement (GOSA) College and Career Ready Performance Index (CCRPI) Single Score of 77.5!** This score officially places us **above the state average** and confirms our standing as a **leader in the Pioneer RESA region**, where we rank 4th, just one-tenth of a point behind the third-ranked district.

Fannin County Schools have seen an 11.9 point increase since 2023. This success belongs to all of the Fannin Family. It is a direct result of the dedication of **our students**, the tireless work of **our educators and staff**, and the incredible support of **our families and community**. Our CCRPI Single Score reflects comprehensive performance across four core areas: Progress, Content Mastery, Readiness, and Closing Gaps.

We are Fannin. We are Family. As a community, we will build a stronger future, one student at a time.

Congratulations to everyone on this outstanding accomplishment!

We are Fannin!
