

MESSAGE FROM MHS ADMINISTRATION

Happy March! It is tough to believe we are almost at the end of third quarter!

We have a great deal of good to celebrate as we think about the positive momentum winter has held for academics, athletics, and our activities. We know fourth quarter will continue in the same way!

Please join us in supporting students in their attendance and their hard work in their courses. You should be able to see current grades in Infinite Campus, so if you find your student is falling behind, please reach out to the teacher to set up tutoring and to get a better picture of what your student can be doing.

We hope you will have a chance to come out and enjoy spring sports, support activities, and attend our Celebrations Assembly in May to honor the hard work and accomplishments of our students. Stay tuned for more information.

In this edition of our newsletter, you will find informaton for seniors/senior parents, as well as a recap of winter sports. Have a great March!

In education,

ACTIVITIES OFFICE UPDATE

WINTER SPORTS UPDATE – FEBRUARY

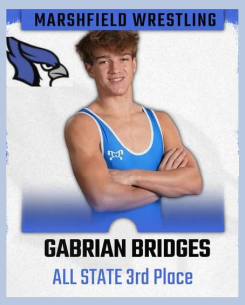

As we wrap up our winter sports season, we would like to take a moment to recognize and celebrate some incredible accomplishments.

Our Lady Jays Basketball team captured the OMC Championship — an outstanding achievement and a true testament to their hard work and dedication throughout the season.

The Lady Jays Wrestling team had a remarkable year, sending three athletes to the state tournament in Columbia, Missouri. Congratulations to all three competitors for earning medals at state:
Carlynn Mynatt – 2nd Place
Rolanda Francois – 6th Place
Gracelyn Bull – 6th Place

Jays Wrestling also had a strong showing at state, qualifying four boys for the tournament:
Anthony Macrelli, Karter Leach-Sarabia, Mac Mohnen and Gabrian Bridges
Gabrian brought home a third place medal.

In addition to competition successes, February also brought meaningful moments of community and support.
Our Dribbling Jays joined together with the Buffalo Bisons to honor Coach Gage Miers, a longtime coach at Marshfield High School. Earlier this year, Coach Miers and his wife welcomed twins born at 24 weeks. What an incredible show of unity it was to see two teams come together to recognize and support such a special family.
The boys also took time to honor TJ Slocum for his 20 years of dedication and service on their bench. TJ has been a fixture at MHS, supporting our athletes during football, basketball, and now heading into another baseball season. His commitment and presence over the years have made a lasting impact on our programs.
We are incredibly proud of all of our winter athletes, coaches, and supporters. Thank you for representing our school with excellence, heart, and Jay pride.
