2025-26 Community Eligibility Provision

Dear Parent or Guardian:

We are committed to doing our part to help your child have access to proper nutritious and healthy meals so that they can thrive. Studies show that students who eat regular, healthy meals get better grades, attend school more often, and behave better in class. If your child attends any of the following San Diego County Office of Education schools, they qualify for free meals through Healthy, Hunger-Free Kids Act of 2010 Community Eligibility Provision:

- 37ECB
- Bayside Community
- CTEC
- Cuyamaca Prep
- East County
- Escondido Community
- Innovations Academy
- Lindsay Community
- Monarch School
- North County Technology Academy
- SOUL
- South County Community
- Friendship School
- North County Academy

Students who attend these sites will be offered healthy breakfasts and lunches each day at no cost during the 2025-26 school year.

If you need help supplementing your food budget and buying nutritious food to feed your family outside of the school day, you may be eligible for the CalFresh program. Learn more at http://www.cdss.ca.gov/inforesources/CalFresh.
