

IFB ADDENDUM #1
IFB P26-07 – Combi Ovens & Tilt Skillets
Natomas Unified School District
Date of Addendum: March 5th, 2026

NOTICE TO ALL POTENTIAL RESPONDENTS

The Invitation for Bid (IFB) is modified as set forth in this Addendum. The original IFB documents and any previously issued addenda remain in full force and effect, except as modified by this Addendum, which is hereby made part of the IFB.

Bidders shall take this Addendum into consideration when preparing and submitting their bids and shall acknowledge receipt of this Addendum in their bid submission.

1. PROPOSAL SUBMITTAL DEADLINE

The bid submission deadline remains unchanged: March 12th, 2026 at 3:00 pm

2. QUESTIONS AND ANSWERS

The following questions were submitted during the question period. Responses are provided for clarification. To the extent the responses modify the IFB, such modifications shall supersede the corresponding provisions of the IFB.

- 1) **Question:** Can the required digital copy of the bid submission be provided electronically (e.g., via email) instead of on a USB flash drive?

Answer: The IFB submission requirements remain unchanged. Bidders must submit **one (1) signed hard copy and one (1) digital copy on a USB flash drive** in accordance with the Instructions to Bidders. Electronic submission via email will not be accepted in lieu of the required USB copy.

- 2) **Question:** Can the District provide a list identifying which school sites will require disconnection and removal of existing equipment as part of this project?

Answer: At this time, the District is not able to identify which sites may require disconnection and removal of existing equipment. Therefore, the IFB is hereby clarified and modified as follows: The District will arrange for the disconnection and removal of existing equipment as needed. Vendors shall not include disconnection, removal, or disposal of existing equipment as part of the scope of work for this IFB.

This clarification supersedes the “Removal and Disposal of Existing Equipment” provisions contained in the Special Conditions section of the IFB.
