

Introduction

Welcome to the Fort Worth ISD High School Sports Survey!

Thank you in advance for completing this survey! We value your opinions and honest feedback to make your experience as a FWISD student better. This survey should be completed by students in **8th through 11th grade**.

The information will be used to assess the types of high school sports currently being offered in the District as well as to determine students' interest and participation needs. This includes the consideration for adding additional teams in a current sport or possibly offering other types of sports in the future.

Confidentiality

For security purposes, you will be required to provide your student ID. Rest assured that your responses are always kept private and confidential. Your confidentiality is taken very seriously and will be protected at the highest level. Your peers and school administrators will not have access to your individual survey responses. All responses will be combined and reported as totals by school and for the

entire district.

District Survey Opt-Out

If you have opted out of all district surveys, you will be automatically exited from the survey and no information will be collected.

If you have any questions or concerns, please feel free to contact the Title IX office at 817.814.1830 or by email at titleix@fwisd.org.
