

Central Middle School

Open Enrollment
Informational Session

Thursday, March 5 at 7:00 PM

Central Middle School

- A second round of Open Enrollment is now open for the new CMS
- It is available to all **Greenwich residents** whose children will be in sixth, seventh, or eighth grade next year and are zoned for Eastern or Western Middle Schools
- The form will close on April 3 at midnight
- If more students apply than space is available, a lottery for the open enrollment spots will be held on or before April 8
- Transportation for students out of the zone must be provided by the family

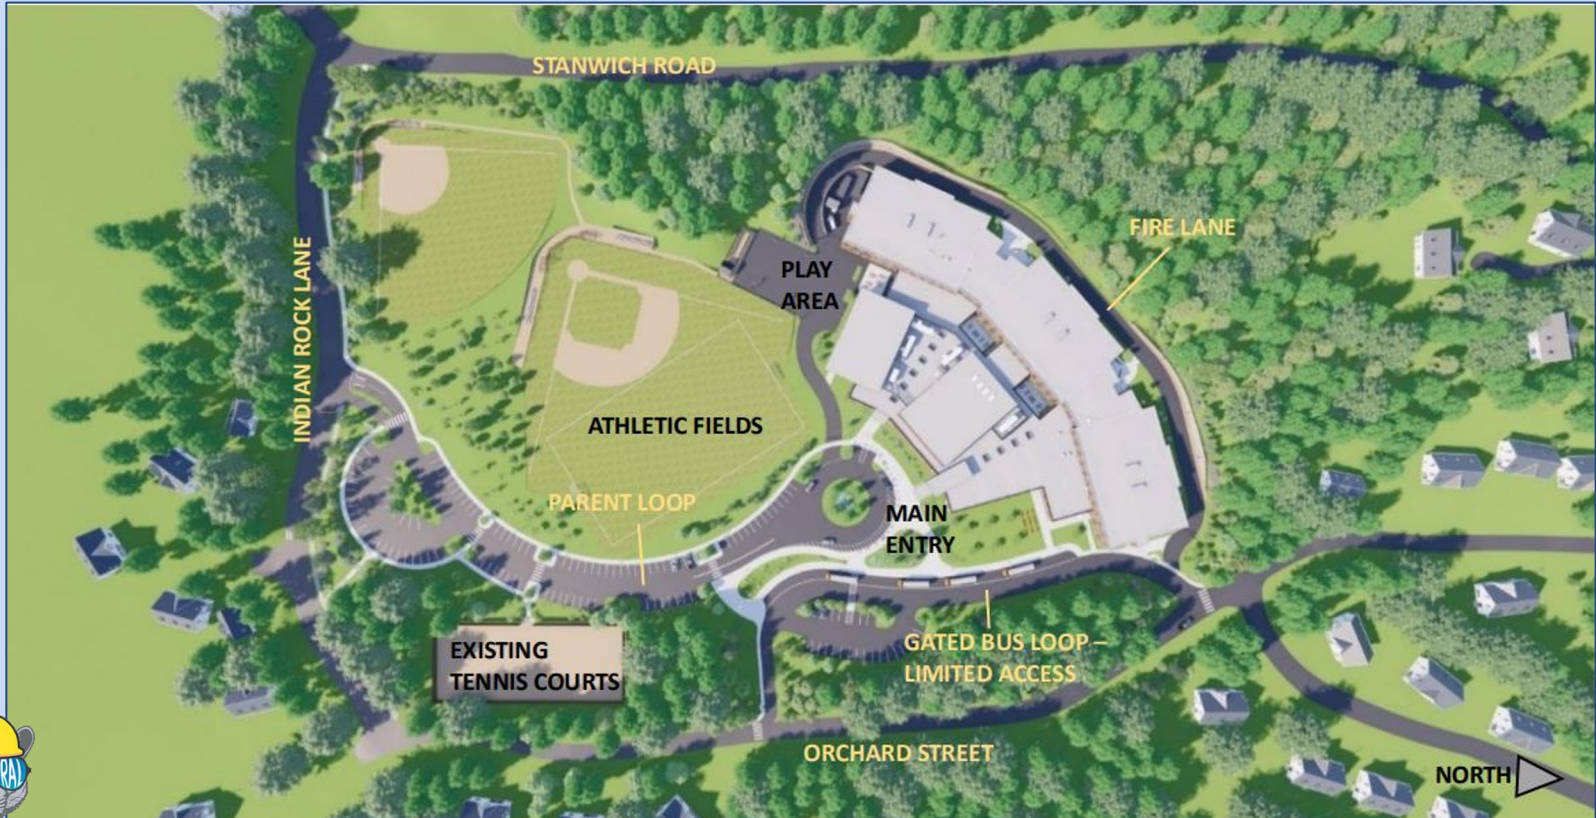

Facts About the New Central Middle School

- Officially broke ground on December 20, 2025
- Will be a dynamic learning center for generations that will house up to 660 students in approximately 125,000 gross square feet in a two story structure
- This project exceeds the Connecticut High Performance Building Standards (CTHPBC) energy requirement
- The new building is scheduled to open for the 2026-2027 school year **(ON TIME!)**

Construction Tour Last Month

On Time!

Construction Work in March

- Energize switchgear and climate control systems
- Substantially complete first-floor drywall and taping
- Continue first-floor ceiling installations
- Begin classroom pod corridor fit-out
- Continue installation of second-floor finishes and millwork, kitchen cafeteria fit-out, and auditorium and stage fit-out and millwork
- Continue exterior civil and site work and finalize the utility corridor

Our Vision

The mission of Central Middle School is to develop
high performing students
in a safe and nurturing environment.

At CMS, **ALL** learners
are empowered for active participation
in their community
through purposeful, authentic,
and personal learning opportunities.
