

SAMR In Social Studies

A woman in a white blouse and black skirt sits on a large stack of old books, holding a paintbrush and palette, with a city skyline in the background.

SUBSTITUTION

Students read a digital copy of the textbook

AUGMENTATION

Students use digital annotation tools to highlight and comment on primary sources.

MODIFICATION

Students collaborate in Google Earth to create a virtual "walking tour" of historical sites.

REDEFINITION

Students conduct virtual interviews with historians or create interactive timelines with embedded media and narration.
