STUDENT EXPECTATIONS FOR eLEARNING

As our new school year gets underway during these unprecedented times, we want to make sure that our learning environments both in school and at home are safe for everyone and conducive to learning. These are the expectation for students during eLearning. The basic tenet is that the eLearning environment is an extension of the classroom and school, so our Code of Conduct and Student Handbook applies whether a student is learning in school or at home.

FOLLOW the POSTED ELEARNING SCHEDULE

- You must attend virtually each class every day you are assigned to in eLearning, just as you would if you were in school.
- Attendance is mandatory and will be taken each period. If there is a valid reason the student cannot attend, the parent/guardian must notify the school.

BE PREPARED DAILY

- Make sure your device is fully charged and/or plugged in.
- Gather any materials that you need for class such as books, assignments, pen/pencil, and any other tools used in class.
- Log onto TEAMS to review assignments for the day and locate the links for Zoom.
- Situate yourself at a desk or table in your house so that you can be best prepared to learn.

DRESS FOR SCHOOL

- Dress for eLearning just as you would in school.

BE FOCUSED AND ENGAGED

- Set aside things that would distract you from learning.
- Have the teacher presentation on your screen at all times.
- Keep your video on until the teacher directs you otherwise.
- Make sure your learning space is quiet and free from distractions.

BE RESPECTFUL

- Students must be respectful of their learning environment just as they would if they were in school.
- Work in an appropriate location for learning such as at a desk or at the dining room table. Examples of inappropriate locations would include: in your bed, while driving, in a loud room.

RESPECT THE PRIVACY OF OTHERS

- Help us in creating a safe learning environment for all. The recording of the lesson or taking pictures of your teacher or classmates is strictly forbidden and is a direct violation of our Code of Conduct.
