

# BOND UPDATES

[tomballisd.net/bond](http://tomballisd.net/bond)

We're excited to keep our community informed as bond projects move forward. Some updates may seem small, others more noticeable, but each one is an important step in providing the best opportunities for our students.

**Thank you for your continued support in making these improvements possible!**

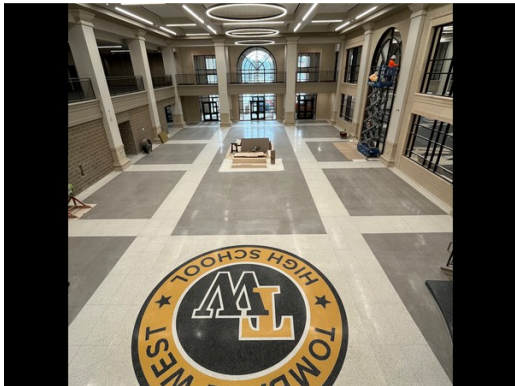

---

## Tomball West High School

### Bond 2021

#### Facility - Ongoing Construction

- Construction of Tomball West High School continues to progress as planned with the Board of Trustees approving the purchase of classroom smart panels and band uniforms during the February 2026 Board meeting.

---

## **Agricultural Project Barn & Competitive Soccer Field**

- Gamma Construction continues to progress as planned with the building pad and parking completed for both facilities during February.

## Forced Main Sewer Connection

- Tomball ISD is in the planning stages to connect the West Complex sanitary sewer system to the District's wastewater treatment plant.
- 

# West Complex Site Development

Bond 2021

## Channel Extension

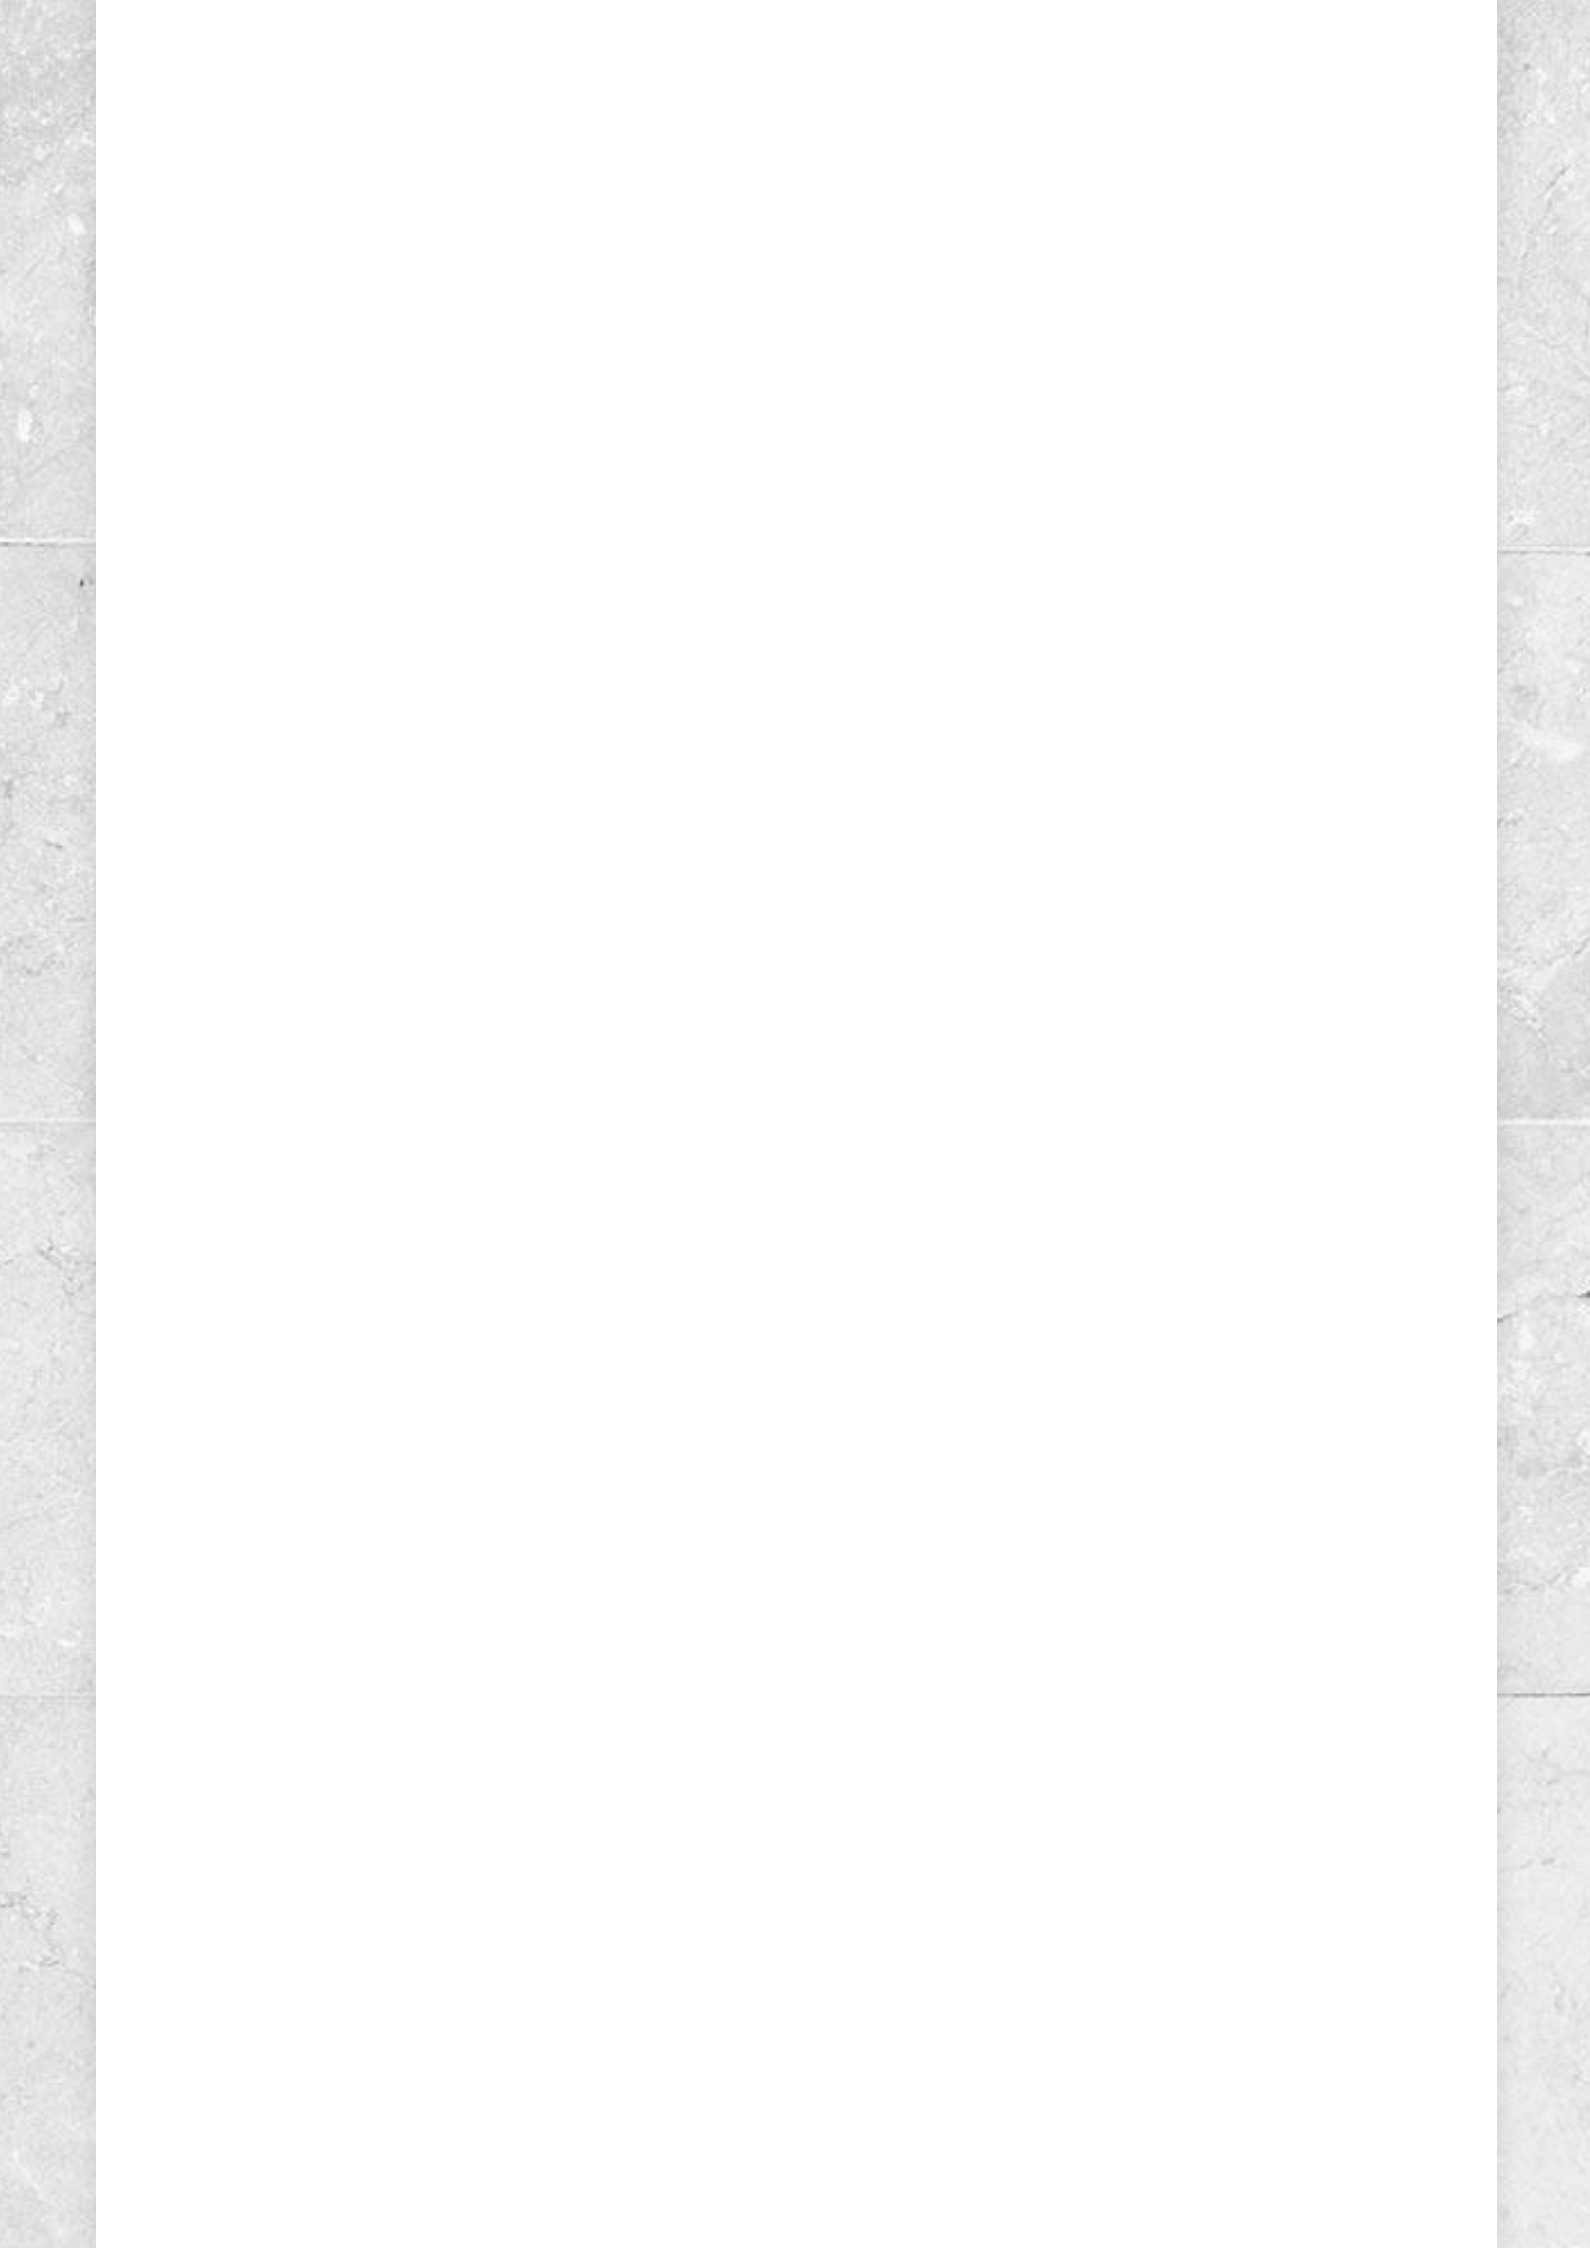

- The extension will serve the West Complex, providing drainage and additional detention for the property. Construction of the channel over the last two months has been steady, with the channel path now connecting the West Complex to Little Cypress Creek.
- Select fill dirt from the channel construction is being spread across the undeveloped TISD property between West Elementary and Juergen Rd.

---

Creekside Park Junior High 5th Grade Addition

Bond 2021

- Construction on the 5th grade addition continues to progress as planned, with exterior masonry and stonework nearly complete.
- Contractors are preparing for the cafeteria expansion, installing temporary walls and protected walkways while work is being done outside the building.

---

## New Tomball Intermediate School

### Bond 2025

- Huckabee has completed the schematic design phase of the Tomball Intermediate School project, and presented initial renderings to the TISD Board of Trustees during the February 2026 workshop meeting.

- A link to the presentation is below:

## Facility Infrastructure Replacements

### Bond 2025

- In February 2026, the Tomball ISD Board of Trustees approved DBR Engineering Consultants to provide professional services for Chiller Repair & Replacement Package #1. This project will address aging HVAC equipment at the following facilities:
  - Lakewood Elementary
  - Decker Prairie Elementary
  - Willow Creek Elementary
  - Tomball High School - Building Controls
  - Technology Building
  - Central Office - Administration Building

## Land Purchase for Pre-K Center #2

### Bond 2025

- The Tomball ISD Board of Trustees approved the purchase of roughly 8 acres of land at the December 2025 Board meeting.
- The purchase of this property will serve as a site for the future south pre-k center to accommodate the continued enrollment growth in Tomball ISD.
- Closing on the property officially occurred on February 5, 2026.
