Building the Future

Catherine V. Cramer, Principal
Michelle L. Scobie, Assistant Principal

We welcome you and your child to Parr's Ridge Elementary School. It is our responsibility to become partners with you in the educational process to ensure success for your child. We want you to feel extremely comfortable about sending your child to kindergarten. The following information is important, so please read it carefully.

To register, you must complete the Student Enrollment form and present all the following on your scheduled enrollment date. We will schedule your enrollment and child assessment date when you email (parattendance@carrollk12.org) or call the office (410-751-3559) to let us know you have all documents completed.

- Verification of residence [i.e. current utility bill (BGE/Allegheny Power, cable, oil, water) referencing the date and the "Service to Address," found in the upper portion of the statement; current settlement document; signed lease/rental agreement on a home/apartment in which the family is currently residing; current mortgage statement; current property tax bill.
- Legal proof of birth such as the child's original birth certificate or registration, Hospital or Physician's certificate, Baptismal or church certification, passport/visa, or official court document to verify his/her legal name and birth date.
- Immunizations are required. The parent must provide the current immunization record at the time of enrollment, then provide the additional immunization record prior to the start of the school year. Your child will not be admitted to school until proof of immunization is provided. This is mandated by the State Immunization Law. It is also desirable for the dental records to be completed as soon as possible.
- Health Assessment
- Immunization Certificate
- Lead Certificate

Some important policies are:

- A child must be **five years old on or before September 1, 2026**, to enter Kindergarten in the fall.
- If parents intend to apply for a level of maturity waiver or alternate program, they should let the school know before registration.
- If you are out of our district, you can find the electronic application under the "Out of District Application Process" on the CCPS Website.
- *Only* custodial parents, court appointed guardians (with a court order), and foster parents (with written verification by the placement agency or a court order) can register children. If the adult is not the parent, (step-parents or other family members who are seeking guardianship, caring for a child, or seeking enrollment due to a family hardship or kinship care) he/she will not be able to enroll the student.

Mid-August, you will receive a letter indicating the name of your child's teacher and **a name tag to be completed by a parent or legal guardian**. Bus numbers and routes will be provided on the CCPS website before school starts in August. Please check the information before completing your child's bus tag information to ensure accuracy as your child will be dismissed according to the information provided. Please notify the school of any changes that may occur after tag completion.

FIRST DAY OF SCHOOL: AUGUST 31, 2026
