

Cooperative Educational Services ("C.E.S.") determines that possession, concealment, and/or use of a weapon by a student is detrimental to the welfare and safety of the students and school personnel within the district. Possession and/or use of any dangerous or deadly weapon, firearm, or destructive device in any school building, on school grounds, in any school vehicle, or at any school-sponsored activity is prohibited even if the person possessing the deadly weapon or firearm has a permit for such item.

I. Definitions:

- A. Dangerous Instrument means any instrument, article or substance which, under the circumstances in which it is used or attempted or threatened to be used, is capable of causing death or serious physical injury, and includes a "vehicle" or a dog that has been commanded to attack.
- B. Deadly Weapon means any weapon, whether loaded or unloaded, from which a shot may be discharged, or a switchblade knife, gravity knife, billy, blackjack, bludgeon or metal knuckles. A weapon such as a pellet gun and/or air soft pistol may constitute a deadly weapon if such weapon is designed for violence and is capable of inflicting death or serious bodily harm. In making such determination, the following factors should be considered: design of weapon; how weapon is typically used (e.g. hunting); type of projectile; force and velocity of discharge; method of discharge (i.e. spring v. As used in this definition, a "destructive device" includes any explosive, incendiary, or poisonous gas device, including a bomb, a grenade, a rocket having a propellant charge of more than four ounces, a missile having an explosive or incendiary charge of more than one-quarter ounce, a mine, or any other similar device; or any weapon (other than a shotgun or shotgun shell particularly suited for sporting purposes) that will, or may be readily converted to, expel a projectile by explosive or other propellant, and which

has a barrel with a bore of more than ½" in diameter. The term "destructive device" also includes any combination of parts either designed or intended for use in converting any device into any destructive device or any device from which a destructive device may be readily assembled. A "destructive device" does not include: an antique firearm; a rifle intended to be used by the owner solely for sporting, recreational, or cultural purposes; or any device which is neither designed nor redesigned for use as a weapon.
