

Summer 2026

Your College Era

An on-campus summer program focused on leadership, growth, and college readiness.

Experience College Life & Practice Leadership

Join the **Belong & Engage Program**, a unique 12-day residential seminar in June, hosted by ASU's School of Politics and Global Studies, that gives high school juniors the chance to explore democracy, develop leadership skills, and engage in civic projects.

Connect with public officials, be mentored by ASU faculty and student leaders, and experience life on a college campus.

Program Schedule

The Summer Seminar

The residential seminar runs **June 7–19** on ASU's Tempe campus. You'll be housed in dormitories and provided with meal cards.

Beyond the Summer

The experience continues well past June. You will receive ongoing mentorship, participate in monthly meetings, work on a large scale civic engagement project, and gain expert guidance to support your future college and internship plans.

For more information, contact:

Associate Director of Undergraduate Studies
Tara Lennon, tara.lennon@asu.edu

Why Participate?

- Experience college life on ASU's Tempe campus.
- Explore democracy, justice, and leadership, engage in civic projects.
- Network with ASU faculty, student leaders, and public officials.
- Receive year-long guidance to support your college preparation.

Be a Belong & Engage Leader

Now Accepting Applications

Scan the QR code or use the link below to access the application.

The program costs \$3,990 and includes housing, meals and all activities. Full scholarships for the program are also available.

If you're a motivated student from the Phoenix metropolitan area interested in leadership and civic engagement, we encourage you to apply!

Key Dates

Application deadline:

March 16th

Notification:

Selected students will be notified April 30.
