3	IN	We plan to have three lunches in the 2024-25 school year in order to maintain the safest environment possible for our students. We would like to have additional recreational staff to facilitate lunch time activities. We purchased tether balls as well as other equipment to run games during lunches. We also have a game room that is often filled with students that don't do well in large crowds. We have a high special education population and want to ensure that everyone is supervised and able to participate.
