Season-Long Alternate Transportation Permission (Parent Summary)

School-issued transportation is the standard method of travel for athletic contests. Completion of this form allows a parent/guardian to take their child home after games during the athletic season.

Season-Long Permission

By electronically signing this form, I give season-long permission for my child to be released after athletic contests to:

- A parent or guardian, or
- An individual listed as an emergency contact in the District's registration system
**in the event a parent/guardian is electing to have their child released to someone other, an email must be sent to the head coach granting permission on the day of contest.*

This permission covers the entire athletic season unless revoked in writing.

Important Release Rules

- A student-athlete may only be released to a person listed as a parent/guardian or emergency contact.
- Release to anyone else is not permitted without written approval from the Athletic Director.
- Coaches cannot accept verbal, text, or email requests to release a student to a non-listed individual.

Coach Notification Required

- The parent/guardian must notify the coach in person after each contest when taking their child home.
- A student-athlete will not be released without direct confirmation from the coach.
- Failure to follow this procedure may result in the loss of this privilege for the season.

Responsibility & Acknowledgment

Once my child is released to me or an approved contact:

- The District's supervision ends immediately.
- I assume full responsibility for my child's transportation and safety.
- I agree to the District's release and hold-harmless provisions as outlined in the full agreement.

Electronic Agreement By submitting this form, I acknowledge that I have read and agree to all conditions.
