

WORK-BASED LEARNING PROGRAM

THE POWER OF PARTNERSHIP

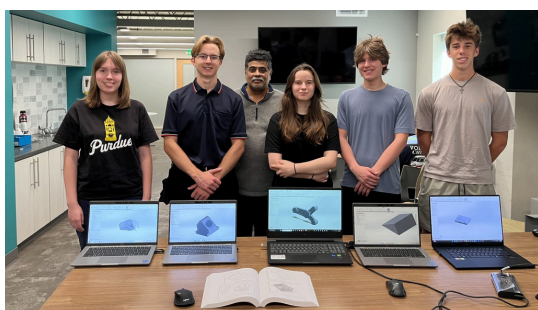

The Munster High School Internship Program provides students with opportunities to explore career pathways through meaningful, real-world experiences while still in high school. These experiences help students better understand their interests and strengths, develop professional skills, expand their awareness of different industries, and make informed decisions about their future. As an extension of the classroom, the program enriches student learning while fostering valuable partnerships with local businesses that are invested in supporting Munster High School students.

INTERNSHIP BENEFITS FOR STUDENTS

- Apply classroom learning in real-world settings
- Strengthen creative and innovative thinking
- Build professional problem-solving skills
- Develop workplace technology skills
- Reflect on personal growth
- Explore careers and expand networks

INTERNSHIP BENEFITS FOR BUSINESS PARTNERS

- Build connections for future hiring
- Foster school and business relationships
- Support workforce skill development
- Encourage staff to model a growth mindset
- Publicize educational involvement in community

OUR MOST COMMON QUESTIONS FROM BUSINESSES ABOUT THE MHS INTERNSHIP PROGRAM

IS THIS A PAID INTERNSHIP PROGRAM?

Students are not paid during internship hours, but some businesses have established supplemental paid work opportunities for students after school, on the weekends, and during school breaks.

WHEN ARE STUDENTS AVAILABLE?

Our MHS internship staff will work with your business to ensure student schedules best align with your needs and will provide you with detailed information regarding our school schedule.

HOW DO I GET MATCHED WITH A STUDENT?

The Munster High School Internship Program is an optional opportunity for upperclassmen to gain real-world experience in their areas of interest. Participation continues to grow each year, with more than 25 students currently involved. Program staff work closely with students to identify internship placements that support their professional growth and align with their intended career pathways.

HOW DO I GET STARTED?

You are welcome to contact the MHS Internship Coordinator at any time with questions or to express interest in the program. We are always looking for local business partners who are eager to support our students! Internship placements are generally matched twice a year to align with the semester schedule.
