

Teacher of Science Full-Time

Scranton Preparatory School is currently accepting applications for qualified applicants for the 2026-2027 school year.

The ideal candidate will meet the following minimum requirements:

- Bachelor's degree in Chemistry, Biology, or Physics or a related field (Master's preferred);
- Previous high school teaching experience in Chemistry, as well as either Physics or Biology;
- Ability to demonstrate and/or articulate planning, teaching, assessment, and classroom management skills;
- Strong knowledge of current research and trends in the instruction of secondary school lab science;
- Experience using instructional technology;
- Possesses a genuine enthusiasm for and interest in the co-curricular aspects of the school community;
- Has a willingness to animate the Catholic and Jesuit mission of the school and its philosophy and values;
- Excellent communication and interpersonal skills.

***Please send letter of interest and resume as soon as possible to:

Scranton Preparatory School's Diversity Statement:

St. Ignatius Loyola, founder of the Jesuits, teaches us to seek God in all things. Jesuit schools believe that God can be powerfully encountered through an educational experience that includes and explores the great diversity that marks Creation in general and humanity in particular. Accordingly, Scranton Prep strives to form a school community in which differences in race, ethnicity, culture, religion, socioeconomic status, gender, sexual orientation, physical ability, and learning style are experienced, accepted, and understood.
