Our goal is to provide an environment that supports the free exchange of ideas between the Board, staff, and community members in a respectful and orderly manner.

We encourage all participants to share constructive ideas and perspectives while respecting others' rights to do the same. The Board welcomes differing opinions; however, it is essential that all disagreements be expressed in a courteous and meaningful way. Personal attacks or disrespectful behavior toward others will not be tolerated. To maintain a positive environment, all speakers are asked to be courteous, patient, and respectful while others are speaking. Comments should

be concise, relevant to the topic, and within the allotted time. Members of the public must be recognized by the Board President or Chairperson before speaking and may only address the Board from the podium, not from the audience.
