

SUMMER VCAP

What Families Need To Know:

- CCS high school students will have the opportunity to participate in Summer VCAP.
- Students enroll through their home high school counselor, regardless of where their classes will be held.
- Most high schools will host Summer VCAP at their own campus.
- A small number of schools will share a host site due to building availability or program capacity.
- Counselors will notify families if their student's assigned location differs from their home school.

Enroll Now! Through Your Home HS Counselor

This FREE program is for rising 10-12th graders who need to recover or complete credits for graduation.

Summer VCAP is the high school credit recovery program for Columbus City Schools. Overseen by the Virtual Credit Advancement Program (VCAP), students who need to complete or continue coursework toward graduation are able to do so this summer. VCAP Students will work with licensed CCS teachers using Edmentum in a **structured, in-person model across high school sites.**
