

Coordinator of Mathematics

We Are Team MNPS

Metro Schools is one of the largest and most diverse school districts in the United States. Our teachers and staff educate more than 80,000 students in Metro Nashville-Davidson County, preparing them to excel in higher education, work, and life. Our district implements some of the most innovative reform strategies in the nation. We seek to partner with highly effective, engaging teachers, teacher leaders and support staff with a passion for urban education and a go-getter spirit as we strive to become the highest-performing urban district in the nation. Whether you are a teacher, an administrator, or a potential support staff employee, if you want to make a difference, we want to hear from you.

Our Vision

Metro Nashville Public Schools will be established as the premier large school district in Tennessee and beyond by ensuring that every student is known.

Our Mission

We deliver a great public education to every student, every day.

Our Core Values

Core values drive and focus our collective commitments included in our mission and vision. These values reflect the principles that guide our internal conduct, as well as our relationships with the external community. Our core values are woven throughout our goals, high-level strategies, and performance measures.

Job Summary

Collaborates with the Director of Mathematics and Lead Numeracy Coaches to coordinate projects that support district-wide implementation of pedagogical practices aligned with the TN Mathematics standards, MNPS Instructional Framework, and the MNPS Mathematics Curriculum Framework. By fostering supportive and productive relationships with and among teachers, numeracy coaches, administrators, and the larger MNPS community, the Coordinator of Mathematics will help build the capacity of stakeholder's instructional knowledge in mathematics through professional development, curriculum implementation, and research-based coaching practices.
